5 Implementation

- Where activities require authorisation, either to comply with national regulations, or to comply with our service policies, our service requires that the authorisation is provided in writing and is dated. These activities include:
  - Administration of medication
  - Administration of medical treatment and ambulance transportation.
  - Excursions including regular outings.
  - Incursions.
  - Enrolment of children including naming of authorised nominees and persons authorised to consent to medical treatment or trips outside the service premises.
Acceptance and Refusal of Authorisations Policy

- The format of written authorisations required under the national law must comply with the regulations. Please see specific policies for more information.
- Our service does not accept verbal authorisations in any circumstances except in situations requiring:
  - Emergency administration of medication, including emergencies involving anaphylaxis or asthma
