FROM THE
PRINCIPAL

I would like to congratulate the students and staff that were involved in the Junior School production of Disney’s Alice in Wonderland. Playing to full houses on both Thursday and Friday, it was a pleasure to see so many students participating and performing at such a high level.

Parents will be receiving a letter in the next day or so outlining the School’s fee structure for next year. Considerable effort has been put into enabling increases to be minimised, whilst enabling the school to maintain its healthy financial condition. If you do not receive the letter by next Monday (17th November), please contact the school.

We are fast approaching the end of the year and students are currently preparing for end of year examinations. I cannot stress the importance of becoming familiar and getting used to examinations and the examination process as early as possible. Our school is one that primarily prepares students for the VCE, and it remains an examination based system. Understanding how to tackle examinations and cope with the undoubted pressure they engender is an important part of the education process. Facing a trial exam or test with recourse only to memory and previous knowledge under a time constraint is sometimes derided as artificial, however, there are many instances in our lives where in fact the kind of skills that rapid decisions based on our knowledge under pressure of time are of enormous use. Examinations are about practice and preparation and I would encourage you to ensure that your child has an appropriate plan of revision in place and is following it.

REMEMBRANCE DAY
Yesterday students, Sarah Atze, Andrew Lock and I attended the Bacchus Marsh RSL Remembrance Day Service in Main Street, Bacchus Marsh. Sarah and Andrew were invited to place a wreath at the memorial statue on behalf of Bacchus Marsh Grammar.

It was a very positive service with a large representation from the Bacchus Marsh community, with numerous primary and secondary school students in attendance.

Thank you to the Bacchus Marsh RSL for organising this service and allowing our students to participate.

Students at Bacchus Marsh Grammar observed a minute’s silence at 11:00, preceded by the reading of the Ode by Mr Makenzie and the playing of the Last Post by Mr Clare.

Thank you

VCE UNIT 2 INTERIM REPORTS
VCE interim reports were completed by VCE teachers last week and were posted to families Friday. Please read through the Interim Report with your child discussing both the positives and negatives highlighted in their report. One of the topics of the interim report is the overdue work list, please ensure that any overdue work is addressed as soon as possible to avoid consequences such as detentions or an unsatisfactory result for that that subject. If your son or daughter is not progressing as well as expected or has a significant amount of overdue work, please follow this up with the appropriate Year Level Coordinator or teacher.
YEAR 7 INFORMATION NIGHT
Last night the Year 7, 2015 Information Night was held. Thank you to all parents and students who attended the evening. **12th November Prep Reception and Prep 2015**

**Information Evening**

7pm in Wilson Hall

Orientation Day
The Bacchus Marsh Grammar Orientation Day for all Prep Reception to Year 6 students enrolled for the 2015 school year will be conducted on Tuesday 18th November 2014. All new students who will be attending Bacchus Marsh Grammar in 2015 are invited to join us and attend school on this day. **Students who will not be returning to Bacchus Marsh Grammar in 2015 are not required to attend school on this day.**

**Hours of Attendance:**
Prep Reception – Year 6 8.45am – 3.05pm

**New Students to Bacchus Marsh Grammar 2015**
On Orientation Day, new students to Bacchus Marsh Grammar should report to the allocated areas as listed or to the courtyard area directly outside the Administration building at any time from 8.20am. Staff will then disperse students to the appropriate room for the day.

**New Prep Reception and Prep**
New Prep Reception and Prep students will need to make their way to the Prep room in which they completed their transition sessions and they can also be collected from this room at the end of the day.

New students to the school are to wear casual clothes, bring a sunhat for outdoor activities and will require a drink, snack and lunch packed in a named bag. The school canteen will be available for recess and lunch snacks if you wish your child to access this. Students will need to wear sensible, closed in shoes to enable them to participate fully in all activities throughout the day. Students in all levels except Prep Reception and Prep are required to bring their pencil case to school for the day’s activities.

**Bus Travel on Orientation Day** **NEW students only**
New students enrolled in Year Prep Reception to Year 6, 2015 are unable to access the school bus service on this day. Parents are required to bring their child to and from school.

**Current students**
Current students will be informed of where they are to go on the day before Orientation Day prior to the end of the school day. However there will be class lists on classroom doors as a reminder for these students. Current students are to assemble in the areas below and wait for staff to arrive. Students will be continually mixed during the day to help in the final designation of students to classes for 2015. **Current students are to wear full summer uniform to school.**

**Parent Morning Tea**
All parents are invited to a morning tea in the dance room, located on the first floor of the school gymnasium, beginning at 8.45am. This will provide the perfect opportunity for you to meet other members of the school community. This will also provide the opportunity for you to investigate the ways you can become involved in the life of the school.

**Prep/Reception and Prep**
Prep Reception and Prep students 2015 are to assemble in the same room as they were allocated to, on their Transition day conducted in October. We ask that Prep/Reception and Prep parents settle your child into an activity as quickly as possible. Once your child is settled please join us for morning tea. The sooner you leave your child in the classroom, the better for all involved. The teacher can then get on with the day’s events. If there are any concerns or needs that your child may have, please let us know prior to this day or where this is not possible, before you leave the classroom. Any medication or special requirements should be handed to the school nurse in the Health Centre at the start of the school day with specific instructions for use.

**Year One – Year 6**
Students enrolled for Year One – Year 6, 2015 will be involved in activities at each level for the full school day i.e. 8.45am – 3.05pm. They will also be involved in some formal testing for a designated part of this day. Students in all year levels will not be grouped in their class groupings or with their designated teacher for 2015. Please note that the day will be treated as a step up day to allow students to experience the next year of school and to enable new students a chance to meet peers and orientate themselves around the Junior School.
Class Arrangements for 2015

Allocating students in their new class for the following school year is always an area that staff and school management spend many hours, to ensure that students are placed in classes to allow for their maximum learning, in a safe and caring environment. Parents need to be aware that this is a school responsibility.

Whilst we are aware that some parents become quite anxious about this, the teachers and senior staff in the Junior School are responsible for these grade splits and do so after considering many factors. It is paramount that class dynamics are balanced and that we consider ability levels, social issues and gender as part of this process.

Parents are unable to request that their child is taught/not taught by a particular teacher. All teachers are employed at Bacchus Marsh Grammar after an intensive interview process and as such the Senior Management of the school is satisfied that all teachers have the ability to teach all children at whatever year level they are enrolled.

If there are social issues that you have been working with your child and their teacher, then the class teacher will be well aware of these issues and will place students accordingly. The delegation of students to classes will be made by the school.

Alice in Wonderland
Congratulations to all the Year 5 and 6 students for a fabulous performance of their musical - Alice in Wonderland. A big thank you to all staff and parents involved in this activity.

Alice in Wonderland Jr.
Congratulations to everyone involved.

The Junior School team has had a wonderful time putting together ‘Disney's Alice in Wonderland Jr.’ I would sincerely like to thank all the staff who have contributed to its success. The students are very lucky to have such talented teachers who are willing to go above and beyond to offer them this amazing opportunity. The students really responded with what was a very professional production. We certainly have some very talented students who I’m sure we’ll all see in future BMG productions. Thank you to the entire Junior School staff who have supported both the staff and students involved in the production.

Thank you to everyone in the 2014 Parent Committee for assisting in all aspects of the production. A big thank you to all the mums who helped to get our performers ready for the show on Thursday & Friday.

This production has truly been a great BMG team effort from students, staff, families and administration right through to the maintenance team. All the hours of rehearsal and organising have definitely paid off. We are looking forward to what 2015 will bring, after a rest!

A professional DVD of the performance is available for purchase. Order forms have been sent home with students involved and need to be returned by Friday 14th November.

Mrs Jenni Coombs
Junior Musical Coordinator

A reminder to all students and parents, that the upcoming Year 7 examinations are a walk-through experience. The focus of this practice examination period is to instil positive study and revision habits. Students will complete the walk-through examination during class time and will receive feedback from staff on their preparation and responses.

Page 5 of 8
Please be aware that the examination result is not recorded on the student’s report and it does not impact their overall grade. This practice examination period should be taken seriously, but students should not feel overwhelmed by the experience. Please encourage your child to begin establishing positive revision and study habits at home, which will be complemented in the classroom throughout the examination week. Please contact your child’s Tutor Group teacher if you require clarification or have any concerns.

The Public Transport Victoria (PTV) School Bus Operation Division has conducted a review of eligible students travelling on school buses. They have advised that the number of students registered on the network is less than the actual number of students who are travelling.

As a result, PTV has advised us that only eligible students who have registered and completed an Application for Permission to Travel Form travel on the school bus. PTV has noted that in the near future those students who are not registered will not be able to travel on the return route from school.

If you have not completed Application for Permission to Travel Form for your child, please contact Kerryn Browne in the Administration office.

Kerryn Browne
Bus Coordinator

Private Bus Service Reminder
Private bus services including all Werribee, Watergardens, Caroline Springs, Cairnlea and Sunbury/Gisborne buses are private bus services for students who live in the Werribee, Watergardens, Caroline Springs, Sunbury and Gisborne areas. Students who are not allocated a seat on these bus routes are not permitted to travel on these services at any time.

Late Bus Service
The late bus service is available from Monday to Thursday which departs the school at 4.30pm. Students requiring use of the late bus must put their name on the late bus list in the Main Office by the end of lunch on the required day. The size of the late bus is determined by daily demand. If students fail to put their name on the late bus list they will not be guaranteed a seat.

The cost of the Late Bus is $10.00 per trip and the fee will be charged to your next terms fee account. Please note if students place their name on the late bus list and do not inform the office that they no longer need the service by the end of the day the $10.00 fee will be charged to term fees. A copy of the Late Bus timetable is available from the Main Office.

Changes to the Education Maintenance Allowance
From 1st January 2015, the government will provide extra financial support directly to Victoria’s neediest schools. This funding will replace the current provision of the Education Maintenance Allowance which is directly paid to parents. Parents will be unable to apply for the Education Maintenance Allowance in 2015.

The funding will be allocated to eligible schools through schools’ core operational funding mechanism, with the neediest schools receiving the most funding. Not all schools will be receiving funding in 2015. At this stage the School has received no indication of what or if any funding it will receive under the new arrangements.

The change to how money is distributed was required by the funding agreement between the Commonwealth Government and State Government to make sure Victorian schools receive increased funding that will benefit all students and, in particular, those from schools with concentrated disadvantage.

The end of the EMA direct payments to parents will not affect any other payment you may be receiving such as the Schoolkids Bonus, which is provided directly to eligible parents to assist with education costs.

If you have any questions about this change, please speak to the School Principal.

School Early Leavers
A reminder to all students and parents: if a student is required to leave school early for any reason, please ensure that your child has a signed note in their diary. This note must be sighted and counter signed by their Year Level Coordinator or Teacher, Mr Richardson or Mrs O’Day. Parents are required to arrange to meet their child at the Main Office in order to sign out in the Early Leavers Register.

Please note students are not permitted to have mobile phones switched on during School hours.
