FROM THE PRINCIPAL

Year 7 students have commenced their camp this week and it was a pleasure to see so many of them eager to attend Camp Manyung in Mt Eliza. This camp is designed around enabling students from such a diverse range of primary schools get to know each other early in the year and start bonding as a group.

Work continues on the range of activities that need to be undertaken to take over the property at Staughton Vale. At present the site is being surveyed and documentation is being prepared for a planning permit. The new development is generating a great deal of excitement and the range of new and expanded activities and options that are being suggested is outstanding. A key to what Bacchus Marsh Grammar does is a real attempt to provide opportunities for all students to find “a niche” and things that the can be interested in and passionate about. Staughton Vale’s 205 acres of varied land use greatly magnifies the school’s ability to achieve this aim.

I remind parents and students about the need to use the School Office as the point of contact during the day, this is to ensure that we can provide our duty of care and that phones whilst they are a useful tool are not causing a distraction from learning. Mobile phones are allowed as a device to facilitate communication between students and parents before and after school. During the day they are to be turned off and secured in lockers. I would in particular request that parents do not put in place arrangements for contact which does not make use of the office and place students in the middle of a conflict between parental instructions and school rules.

Congratulations to Joseph Earnshaw, Jack Hurley and Stephanie Trento who in addition to the list published in last week’s Newsletter were awarded a position as Year 9 Leaders.

LIONS YOUTH OF THE YEAR
On Monday 16th February, Leyla Chapman, Sarah Neville, Andrew Lock and Marcus Macklin Year 12 represented Bacchus Marsh Grammar at the John Cadzow Memorial Lions Youth of the Year Awards. Congratulations to Leyla, Sarah, Andrew and Marcus, they all presented excellently in the public speaking component of the award, presenting to an audience of Lions members of Bacchus Marsh and Parents. Sarah Neville was awarded the Bacchus Marsh Lions Youth of the Year. Congratulations to Sarah Neville.

The award predominately focuses on community service, academic pursuits and other community based activities (making up 80 percent of the overall points) and combining with the public speaking activity. Congratulations to all three students for their wonderful presentations.

I would like to thank the Lions Club of Bacchus Marsh for providing the opportunity for our students to be involved in this award.

SCHOOL BUS BEHAVIOUR
I must remind students that travelling on the school buses is a service organised by Bacchus Marsh Grammar and each student’s place on the bus comes with some expectations. Students should always travel in a safe and courteous manner. Being well behaved on the bus encourages a safe environment for all passengers and allows the bus driver to go about his/her job with a minimum of STRESS. Being loud, throwing objects, teasing others, vandalism, graffiti, etc... is not being well behaved and students committing these offences will have to be dealt with. Students who are unable to behave in a safe and courteous manner will place their position on the school bus in jeopardy. Please remind your son/daughter of their obligations whilst travelling on the school buses.

All Year 12 students (school leaders by virtue of being year 12) have been appointed as bus captains to monitor student’s behaviour. The bus captains’ role is to be a point of contact for Junior School students who are having difficulties and act as role models for all students travelling on the buses.

It is important that all students arrive at the bus stop approximately 3-5 minutes before the bus is due to arrive and be ready to board upon arrival.

Many students are:
1. Waiting with parents in the car and only begin to get ready, collect school bag etc... after the bus has arrived – delaying the departure of the bus
2. Arriving at the bus stop as the bus is arriving – delaying the departure of the bus.

If parents are driving their child to the bus stop, please do not park in an area that interferes with path of the bus. Please park at a reasonable distance from to bus stop.

All Bacchus Marsh Grammar buses have assigned seating; students are expected to be seated in their designated seat. If a student wishes to change their designated seat then they must request a change, in writing, giving reasons for the request.

On buses that have seat belts, the seat belt must be worn – as in any motor vehicle.

Parents are not to make contact with the bus captains, if there are any concerns regarding your child travelling on the school bus; please make contact with the Mrs. O’Day or myself.

School Attendance-Late Arrival
It has been brought to my attention that some students are regularly arriving late to school. It is vital that students develop good habits with punctuality in order to start each day ready and well organised, and to enable them to learn and progress at the expected rate. Students need to establish a positive routine in attending school each day. Some students are also arriving at school, presenting very tired and lethargic. It is vital that students receive a sufficient amount of sleep and that they begin the day with a solid breakfast routine in order for them to function and fully participate in lessons. Teachers will be talking directly to parents where concerns continue to be a problem at the Parent Teacher interviews. The morning bell for Junior School is the music that begins at 8.45am. In the Junior Years, reading begins at 8.30am.
and in the upper classes, students use this time where possible to get ready for the school day.

Junior School Parent Teacher Interviews
*Tuesday 24th February and Wednesday 25th February*
Online bookings are open for parents to book a suitable time to see your child’s **class teacher**. Please note that these interviews are designed for you to meet your child’s class teacher and discuss progress to date in particular settling in issues and information parents need to pass on to the class teacher. Whilst Specialist staff are available for you to meet, it is important for you to be aware that at this early stage of the year, the specialist staff have had very little time with the students. If parents need to change or cancel any interviews this can be done by logging in and clicking on cancel. You are then free to reschedule your appointments.
