I would like to congratulate all students who participated in the 2015 Debutante Balls last week. I would also like to congratulate students on the respect and interest they have paid to Anzac Day, in this 100th Anniversary year and thank the students from the Junior and Senior Schools who represented Bacchus Marsh Grammar at the local Bacchus Marsh RSL dawn service.

Over the past week we have been considering the question of homework in holiday periods. It is my view that holidays are a period for students to mentally refresh themselves and also a time to be actively involved in those things that are important components of any child’s broader development. That said, there is a place for limited and targeted work that introduces students to new material or work that enables students to hit the ground running when they return to class. One of the best examples of this kind of work is the pre-reading of English texts. If one is serious about text work, then a number of readings of specific texts are required to have any real hope of full understanding. The holiday period provides an ideal time for that preliminary reading that gives a real sense of the questions and issues the text is raising. I would urge parents to continue to work to ensure that all students are pre-reading English texts because of the significant benefits it brings to understanding.

CAR PARK SAFETY
PATIENCE MEANS NO PATIENTS!
We thank parents for their ongoing patience in the Main Car Park dropping off and collecting students each day.

YOUR PATIENCE WILL CERTAINLY HELP US PREVENT ANY STUDENT PATIENTS! Please continue to drive with great care and consideration, follow the directions of the crossing supervisor and staff members on duty. Remember the drop off zone along the footpath is a “kiss and go zone’ and absolutely a no parking zone. You may not leave your vehicle parked unattended.

Also please note that until the Hospitality Building is completed, the Old Mine Road Entrance at Gate 1 onto South Maddingley Road must not be used as an Exit. After “dropping off” or “picking up students”, all traffic must exit the school via the South East of Old Mine Road (Gate 3).

The following students have been awarded School Colours and were presented with their colours pocket at Senior School Assembly this week. **STUDENT SERVICES NEWS**

To help support our current VCE students, Student Services are organising for a range of sessions to be held to help support students through what can be a rather busy and stressful time. The sessions will generally be held each Friday at 12.55pm.

The first of the sessions was held last Wednesday on ‘Study Skills’ by Mr Ian Macdonald and this was followed by a relaxation session held on Friday. This week on Friday there will be a lunch time presentation in the lecture theatre on ‘Time management’. This session will look at practical strategies for students to foster good organisational skills to best use their time.

During Term 2 the range of topics will cover Stress Management, Sleep and Sleeping Difficulties and Managing Difficult Emotions. These sessions will be alternated by fortnightly relaxation sessions.

All students preparing to sit VCE examinations this year are welcome to attend. These sessions will be advertised through the daily bulletin and in the VCE Study Centre. Students will be asked to register their interest in attending the sessions on signup sheets located in the VCE Study Centre.

Further information on these sessions can be obtained by emailing jaremas@bmg.vic.edu.au

**Emergency Lunch Procedure**

In our busy day-to-day lives the school understands that students and families may forget lunches and an emergency replacement lunch may be required. If this should occur all students are to report to the Main Administration Office for an emergency lunch requisition. Payment for the emergency lunch must be made to the Administration Office the next school day. Teaching staff are not be permitted to send students directly to the canteen for emergency lunches.

Parents/guardians of all students will be contacted by Administration staff for permission to give students an emergency lunch requisition and to check if there are any specific dietary requirements and a dollar value to spend.

According the Monash University website, *pharmacists* are directly concerned with people's health and wellbeing. They provide advice on the safe and effective use of medicine. They are actively involved in patient care in hospitals and the community. As medicine experts, they often also work in government, industry, research and clinical-trial roles.
