FROM THE PRINCIPAL

We are fast approaching mid-year examinations. I would urge all parents to ensure that students are well into their revision program and starting the process of preparing answers under timed conditions.

On Wednesday evening the school held a public meeting for residents of properties around the School’s proposed purchase at Staughton Vale. This is part of the process the school needs to go through in preparing to submit a planning permit for the site in the next few weeks.

I would like to congratulate all those who have participated in ICCES Athletics and Senior and Junior Cross Country in the last week. It has been pleasing to see so many people giving of their best in all of these activities.

SCHOOL UNIFORM – JUNIOR & SENIOR SCHOOL

Full (winter) School Uniform is to be worn in Terms Two and Three.

Please check full school (winter) uniforms to ensure they comply with school regulations. Kilt lengths are required to be at the knee as illustrated in the photo.

Students are to also ensure hairstyles and jewellery are within the uniform policy guidelines. These guidelines are included in all student diaries for reference.

On days that are forecast to be unseasonably warm (greater than 25°) students may wear their Summer Uniform.

FROM THE DEPUTY PRINCIPAL – HEAD OF SENIOR SCHOOL

SCHOOL COLOURS

Congratulations to Jack Lantieri of 10C who was awarded School Colours for continued services to the school. School Colours are awarded to senior students who consistently serve and perform for the school in any area of the curriculum or co-curricular activities, which has been particularly outstanding.
Over the coming weeks, School Colours will also be awarded to students in Years 10, 11 & 12, if your child is deserved of School Colours, ensure that they have submitted their information sheets to their Tutor Teacher.

School Colours are awarded to eligible students from Year 10 onwards. Points are awarded for services to the school (not house events) i.e. School Production, ICCES sports, DAV debating etc... Upon attaining 90 points, they are eligible to be awarded School Colours, 180 point – Double School Colours.

SENIOR SCHOOL EXAMINATIONS

Examinations for students in the Senior School are to commence Friday 29th May. An examination timetable for students, for reference, will be issued to students and published in the weekly newsletter. Please ensure that your child is familiar with the times that their exams occur. All students (Years 7 to 12) should be participating in a established, regular homework pattern as a matter of normal work habits, but for students leading up to examinations periods, the focus should be on constructive revision and preparation for their examinations.

Year 11 students have the ability to either study at home or at school. Classes for Year 11 students will be suspended for the duration of the examinations. Year 11 students are not to use this time to socialise at local “fast food” establishments. They must be engaged in one of the following
1. completing an examination
2. studying at school
3. studying at home

PRINCIPAL’S AWARDS

Principal’s Awards are presented to students who have been involved in activities that are particularly outstanding.

If you believe that your child has been involved in an activity that is noteworthy, please inform your child’s Tutor Group Teacher, Year Level Coordinator and/or myself, for recommendation for a Principal’s Award.

Year One Excursion-Scienceworks

All students in Year One are learning about the Solar System. To strengthen their knowledge in this area, Year One students will be participating in an excursion to Scienceworks, Spotswood. This excursion will include a visit to the Planetarium.

This excursion will take place on Thursday 21st May. We will be travelling to Scienceworks by bus and will be departing school at 8:50am sharp. Students who miss the bus will stay at school.

Students will need to bring a small snack and drink in a paper or plastic bag. They will also need to bring their lunch and a drink in a separate paper or plastic bag. All items should be disposable. Please ensure your child’s name is written clearly on each of their bags. Students are required to wear the correct full school uniform and are advised to bring their spray jackets if rain is forecast.

All students will be returning to school by bus and will be dismissed at the normal time of 3:05pm.

Information for Year 10 Students & Parents:

Participation in the Work Experience program is a vital component of the Year 10 Leadership Certificate. The school understands, however, that securing a work placement may not always be possible for a variety of reasons.

Two alternative pathways to achieving the Work Experience component of the Leadership Program has been agreed upon by the school. Students wishing to satisfy the work experience component of the Leadership Program but are unable to secure a work placement will be exempt from completing a formal work experience program in lieu of meeting the requirements of one of the ‘Alternative Work Experience Program’:

Option 1: Tertiary Exploration
- Attendance at three internal BMG Career Information Sessions – Lunchtimes
- Attendance at two tertiary ‘Open Days’ or ‘Experience Days’ – External, students to organise own registration and transportation. Event dates are available on institutional websites and when appropriate via the BMG Careers Newsletter.

Option 2: Community Service
- Students may elect to complete a week of volunteer work within their local/sporting or alternative settings.

The Year 10 Coordinators will also specify other requirements of the ‘Alternative Work Experience Program’ that will need to be satisfactorily fulfilled.

For more details please see the relevant Tutor Group Teacher, Year Level Coordinator or Careers Team.

OPEN DAYS 2015

Getting the most out of an Open Day

Most institutional Open Days are held in late July and August (see over the page for Open Day dates). However, you are more than welcome to contact an institution to arrange a visit any time.

What happens on an Open Day?

On Open Day you can visit an institution when it’s at its best. Everyone is there – academics, lecturers, current students and information officers. More importantly, you can talk with academics, lecturers and current students about what certain courses are actually like, and what is required to get into them.

Who should attend an Open Day?

Anyone who is considering studying at a tertiary level in the next few years should attend.

Why should you attend an Open Day?

Apart from the opportunity to obtain course information there are many other reasons why attending an Open Day is a good idea:

• You are going to feel more comfortable arriving at a university or TAFE institute on the first day of classes if you have been there before.
• What is really involved in the course or courses you are interested in?
• If you have to move away from home, where are you going to live?
• Will you be happier studying in a large metropolitan institution or a smaller, perhaps rural institution?
• What does the place ‘feel’ like? Is it a bustling environment with lots of activity or a quieter, more relaxed campus set in landscaped grounds?
• How are you going to get there? Is it close to public transport or should you start saving now for a car?

If you don’t know the answers to any of these questions, then you should attend an Open Day!

How to make the best of Open Days

To make your Open Day visits fun and informative, here are some pointers:

• Write down a list of questions you would like to ask about particular courses
• Be there early. Crowds tend to develop as the day progresses
• On arrival, get a map from a central point and ask for directions to the relevant faculties or schools
• Ask questions!
• Don’t spend the day collecting printed information only. Use the opportunity to speak directly with academics before applications close
• Introduce yourself to selection officers if you feel it is appropriate, but don’t be pushy
• Check out the residential colleges, if available. After all, it is you that will be living there.
• Walk around the campus. Have a good look! See what sporting facilities and other services are available.
• Enjoy the visit!

Addresses of tertiary institutions are available via VTAC on [www.vtac.edu.au](http://www.vtac.edu.au) or by ringing the institution directly or visiting their website.

OPEN DAYS 2015

Not everyone can attend every Open Day and various Institutions hold their Open Days on the same date! If you can’t attend an Open Day and you are interested in a particular institution, you may visit at other times. If you wish to speak to a particular person, it is essential to make an appointment first.

Addresses of tertiary institutions are available via VTAC on www.vtac.edu.au or by ringing the institution directly or visiting their website.
