I have asked now through the Newsletter for parent feedback on our current reporting arrangements. I thank those who have responded and we will work their considerations and requests into the process of rejuvenation that we are about to undertake.

It seems to me that parents have the following questions in relation to reports:

i) Is my child working to a level that they are capable?

ii) What advise can be given to assist in them improving their performance? and,

iii) A reasonable idea of how they are performing in relation to their peers or valid benchmarks

All of these factors will be built into the new reports in a more transparent way. I am particularly keen to see the reports reflect and promote a growth mindset amongst all sectors of the community. That is how much that a student has improved rather than perhaps the more static report which gives a picture of where a child is at the end of a time period which is perhaps more focused on a backward rather than a forward review.

As we move towards new structures I would appreciate the ability to obtain further feedback from parents about what they want to see in them. These documents are primarily ones for parents and it is important that they are meeting your needs.

Last week a 6.4 magnitude earthquake occurred in the city of Kumamoto in Japan. It caused much damage to various National treasure buildings, homes, offices and other property. Many thousands of people have been left without power, water or are homeless. Our thoughts and prayers go out to the people of Kumamoto and to our friends from Kikuyo and Musashigaoka Junior High Schools. We hope that they are safe and that they stay strong throughout this difficult time.

SCHOOL COLOURS

At last Monday’s assembly, the following students were awarded School Colours and Double School Colours. The most pleasing aspects of this round of awards was the large cohort of students that where eligible to receive their Colours Awards. This highlights the student’s willingness to be involved in school events and represent the school in a wide range of events and activities.

Students are involved in broad range of: performing arts, sporting events, debating competitions, public speaking, academic competitions, hospitality activities and community service events – to highlight just a few.

Another pleasing aspect is the willingness of staff to coordinate and give opportunities for students to get involved.

Term Two Uniform Requirements
Students are expected to wear full winter uniform from Tuesday 26th April. There is a two week change over period from summer to winter uniform. Girls are expected to wear either their trousers or their skirt/kilt with black tights – socks are not permitted. All students are required to wear their school tie. If we experience unseasonably warm weather, days forecast to be 25 degrees or above, students may choose to wear their summer uniform.

Students are not allowed to mix and match uniforms. They must either wear full summer or full winter uniform. Please note that students are not permitted to wear black tights with their summer uniform or long sleeve t-shirts under shirts and dresses unless they are covered by the school jumper. In these cases students should be wearing full winter uniform.

Please note Junior School students are expected to wear their school jumper to and from school with their winter uniform, and from Year 5, their school blazer.

Please refer to the school diary for further information regarding uniform and hair requirements.

Junior School House Athletics Carnival
All Year Three to Year Six students have, over the past three weeks during Physical Education class and Sport, been training for athletics and participating in trials, for selection into field and track events, for the Junior School House Athletics Carnival. Due to the large volume of students at these levels, we have decided to run two distinct types of Athletic carnivals.

1. Year 3 & 4 House Sports Day - Friday 22nd April 9.00am – 1.00pm
On this day, all students in Year 3 and Year 4 will participate in a program equipped to include all students, regardless of their ability, in either a field or track event/s. There will be a rotation of 8 activities in which Year 3 and Year 4 students will participate in Houses at their appropriate age level. All students in Year 3nd and 4 will receive a participation ribbon for their efforts in the House Sports Day. Place ribbons will NOT be awarded. This event is aimed at participation by all students and designed to be a fun and enjoyable event. Parents are most welcome to come and join in the morning of activities.

Students are required to wear full sports uniform to and from school on this day. Depending on weather, your child will need to bring their school hat and sun screen for use on the day and to ensure they have their drink bottle. If the weather turns cooler then students may need their school anorak. Parents and friends are welcome to join us for the House Athletics Fun Carnival.

2. Year 3-6 Junior School House Athletics-Qualified students only, Selection process for BMPSSA and District representation - Friday 29th April.
This carnival will be conducted under the rules and guidelines of the BMPSSA. ONLY students who have qualified for events through the trial program conducted over the past three weeks during sport, will participate in this day. The program will begin at 9.00am and conclude by 3.00pm. Junior School House Coordinators will collate their teams from the information gained over the past 3 weeks in PE classes and trials at sport time. Students will be notified of events in which they will participate, if they have qualified under the rules and guidelines of the BMPSSA. Lists of competitors will be placed in and around the R block, in the display cabinet and the F block. Students will record in their diary events they have been selected to participate in and parents of competitors will be
The Grammar Weekly notified by a note sent home with your child. As with House Swimming, students will have an opportunity to compete in a maximum of 4 individual events and 1 relay. The 4 fastest 100 metre times will be the students who compete in the relay event at the next level, not the winning relay team at our house carnival.

**Students in Years 3-6 who do not qualify to participate, will have normal classes on this day:**
Year 5 and 6 students, who do not qualify to participate, will be taken to spectate and cheer on their house, during their scheduled sport time from 1.30pm and where practical, during some of the scheduled field events.

Students competing are required to wear full sports uniform to and from school on this day. Depending on weather, you child will need to bring their school hat and sun screen for use on the day and to ensure they have their drink bottle. If the weather turns cooler then students may need their school anorak.

Walk to end Women’s Cancer

On the weekend one of the Physical Education Departments senior staff members Mrs. Rebecca Perks completed the “Walk to end Women’s Cancer” in Melbourne. This was a two day event that required competitors to walk 30km each day, totally a fantastic effort of 60km. As well as competing on the weekend Mrs Perks raised, along with her walking partner Emily Clarke $5000.00 Congratulations should also go to the BMG SRC and students who contributed to this worthy cause. This money will be directly used to support programs ran by the Peter “Mac” Institute in a bid to rid women from all types of cancers. A wonderful effort.

With the start of term 2 the canteen no longer makes fruit salad.

We are now making soup and a bread roll for $4.50.

Please remember that wedges are only available on a Monday for juniors and Tuesdays for seniors. If they are ordered on any other day a sweet chilli chicken roll is substituted for them.

The canteen stocks soothers and butter menthols for $2.00 a pack.

Have a healthy and happy week

Canteen printed lunch order bags are now available and may be collected from the Canteen or the Administration Office.

Please note there are minor changes to drinks on the Canteen menu due to some stock no longer available.
Cancelling Online Orders
Orders may be canceled up until the cut-off time of **9.30am** (excludes emergency lunch orders or payments) by following the same process as completing an order. Just select the order and then ‘cancel’ a credit sit against your account for use at another time.

**Emergency Lunch Procedure**
In our busy day-to-day lives the school understands that students and families may forget lunches and an emergency replacement lunch is required. **This can now be ordered online using Qkr! By MasterCard.** Or if this should occur all students are to report to the Administration Office for an emergency lunch requisition. Payment for the emergency lunch must be made to the Administration Office on the next school day. Teaching staff will **not be permitted** to send students directly to the canteen for emergency lunches.

Contact will be made with all parents/guardians of all students requiring an emergency lunch for permission to give students the emergency lunch requisition and to check if there are any specific dietary requirements.

**DROP OFF/PICK UP ZONE**

*Remember the drop off zone is a “kiss and go” zone. Your assistance will ensure that the drop off zone flows in an ordered and steady manner.*

A reminder to all families that the South Maddingley Road visitor parking *(in front of the Administration Building)* is not to be utilised by students as a “Drop off and Pick Up” area between the following times:

**Before School: 8.00AM - 8.45AM**
**After School: 3.05PM – 3.30PM**

It is far too dangerous for cars to be reversing onto South Maddingley Road during the bus times.

We would also like to remind families that it is illegal to text and utilise mobile phones whilst driving and this includes within the School carparks. All drivers should have full concentration on their surroundings particularly whilst in School zones and near school crossings.
