FROM THE PRINCIPAL

On Friday the school will be hosting an Equestrian Event at the Bacchus Marsh Show Grounds. This is the first formal school event that we have held and it is pleasing to see that we have over 65 competitors from across the State competing.

The range of sporting activities that students can be involved in continues to grow. Clay shooting is now a well-established activity and our Real Tennis team is gearing up for its first competitive matches. At the school we look to enable students to find their niche and where ever present practical work to ensure that a range of activities to suit everyone’s interests are available.

From next month there will be changes to the Grammar Weekly Newsletter arrangements:

A weekly Newsletter of events and news will be produced, with comments from the Heads of School and myself (unless an important piece of information is to be relayed) each fortnight.

SENIOR SCHOOL EXAMINATIONS

Examinations for students in the Senior School are to commence Friday 27 of May. An examination timetable for students, for reference, will be issued to students and published in the weekly newsletter in the next fortnight. Please ensure that your child is familiar with the times that their exams occur. All students (Years 7 to 12) should already be participating in a regular homework pattern as a matter of normal work habits, however leading up to examinations periods, the focus should be on constructive revision and preparation for their examinations.

Year 11 students have the school’s permission to either study at home or at school. Classes for Year 11 students will be suspended for the duration of the examinations. Year 11 students are not to use this time to socialise at local “fast food” establishments. They must be engaged in one of the following:

1. completing an examination
2. studying at school
3. studying at home

VCE INTERIM REPORTS

VCE/VCAL interim reports were completed by teachers last week and posted home.

Please read through the Interim Report with your child discussing both the positives and negatives highlighted in their report. One of the topics of the interim report is the overdue work list, please ensure that any overdue work is addressed as soon as possible to avoid consequences such as detentions or an unsatisfactory result for that subject. If your son or daughter is not progressing as well as expected or has a significant amount of overdue work, please follow this up with the appropriate Year Level Coordinator or teacher.
