FROM THE
ACTING PRINCIPAL

Bacchus Marsh Grammar students are currently hosting twenty-nine students from Sainte Marie; a school in the town of La Verpilliere, south of Lyon in the south of France. This is the reciprocal component of the French Exchange Program for 2016. I would like to thank all the host families for opening their homes to our international visitors.

I would like to congratulate staff and students on a smooth return to a very busy Term 3 and hope this momentum continues.

I also thank parents, students and staff for their patience and understanding with the new School Cafeteria arrangements. Whilst there have been some initial challenges, the positive feedback by the school community is encouraging.

FROM THE DEPUTY PRINCIPAL
– HEAD OF SENIOR SCHOOL

VISITING FRENCH STUDENTS

I would like to welcome the twenty-nine students and three staff from La Verpilliere - Sainte Marie to Bacchus Marsh Grammar for the next two and a half weeks. Earlier this year these students and staff hosted our group of students when we visited them, so it is pleasing to be able to reciprocate. Thank you to the host families for opening your homes to our visitors and to the LOTE department for the program they have organised to show our guests what life is like at Bacchus Marsh Grammar and in our area.

Last Friday, the day that our guests arrived coincided with the disturbing news of events in Nice. In January, I visited an old school friend who resides in Nice and spent a couple of weeks in this beautiful part of the world. Our thoughts are with all of those who have been affected by this and similar events.

It also coincided with my attending "The Mental Health and Wellbeing of Young People" conference in Melbourne where one of the speakers, Dr Kate Barrelle, a member of the team from Monash University's Radicalisation Project, spoke about what schools and the community at large can do to reduce the likelihood of young people becoming radicalised. The most current results of this and other such research projects globally indicate the key areas where schools and the community can be most effective include keeping young people connected socially, expanding their social networks, assisting them to mend relationships and providing mentoring within supportive groups, and encouraging critical thinking. These key areas are consistent with assisting students in developing and supporting their general mental wellbeing and something that we aim to foster in our students at all times.

SENIOR SCHOOL HOMEWORK CLUB

In last week's newsletter there was an article introducing a new initiative in the Senior School: Homework Club. Some students may benefit from having a regular structured time after school to do their homework whilst supported by staff with organising and prioritising the work. If students or parents want find out more about this they can see Mrs Doma or Miss McQuillan, or seek assistance from Tutor Group teachers or Year Level Coordinators.
YEAR 10 PRESENTATION DINNER
A letter regarding the Year 10 Celebration Dinner for the Friday 2 September has been sent to the family of each Year 10 student outlining details for the night and ticket purchases. It is an expectation that all Year 10 students will attend.

BMG BUSINESS
NEWS

As you are now aware, the School has decided to cease operating an internal canteen and outsourced the full canteen function to Metro Canteens effective from Term 3. The arrangements with Metro Canteens includes not only canteen services but also to provide additional catering services to Bacchus Marsh Grammar students, staff and community across an expanded range of catering requirements. During the phasing in of the new arrangements for the School Cafeteria there are bound to be some minor teething problems so your patience during this time is appreciated.

School Cafeteria
• Please note that the Canteen will now be called the School Cafeteria and we intend to ask the SRC to conduct a name competition among students for the naming of the Cafeteria.
• Over the next few weeks we will introduce a number of initiatives to further enhance the image of the School Cafeteria.

Menus for Cafeteria Services
• There is a menu available for lunch orders specifying items available for Junior School students and Senior School students.
• There is also separate menu for over the counter purchases (however items available will vary each day) and not all items will be available for Junior School students.
• Menus for cafeteria services are available on the School’s website.

Staff Cafeteria Services
1. Junior School students are able to place a lunch order by completing a bag (including correct money) and placing it in the class basket each morning.
2. Senior School students are able to place a lunch order by completing a bag (including correct money) and placing it in the appropriate slot at the Cafeteria by 9:30am.
3. Students can purchase food over the counter however there will be different items available for Senior and Junior School students.
4. The cafeteria will be open from 8:00am to 1:30pm for students to purchase items (including breakfast).
5. Emergency breakfasts and lunches will also be available (as per prior arrangements).

*Please note at this time parents are asked to supply a plain paper bag for all lunch orders. Orders are to be clearly written on bags and include Name and Class/Tutor Group. Previous BMG Canteen bags are now obsolete.

ICCES X-Country, Debating and Chess
Congratulations to all athletes that have made the BMG Mustangs ICCES X-Country Team for 2014. The ICCES X-Country will be held on Wednesday 3 August at Bundanoora Park, Melbourne. Events are scheduled to start at 11.40am and will conclude at 2.00pm. Students will travel from BMG departing at 10.00pm and return to school at approximately 4.00pm. All students have been given an attendance notice, training
program and information about the event. Training will continue at school on Tuesday nights and Thursday lunchtimes. As well as X-Country on the same day ICCES will hold competitions in Debating and Chess. The competition will be held at Latrobe University.

Congratulations to our Athletes

Congratulations to Claire Newcombe who is a member of the U/13 Representative team for Altona Netball Association. Each year, netball associations from around Victoria compete in Association Championships. The state is broken into six zones and Claire’s team competed in the Central West Zone Association Championships in Geelong back on June 5. They went through this tournament undefeated, which qualified them for finals day.

Finals were held at the State Netball and Hockey Centre in Parkville on 26 June. The top 2 teams from each zone attended. Claire Team made the Grand Final against the only other undefeated team, Doncaster and District Netball Association. The final was an extremely exciting game with the score at 10 all at the end of regular time. Overtime was played with the Altona team finally victorious 16-14.

This makes the team State Champions for the U13 division, a fantastic achievement that is reflective of the hard work they have put in since the start of the year.

Claire also was part of the Champion BMG Mustangs Team at the ICCES Winter Tour and won the Coaches Award for Best and fairest on the day. Once again congratulations on a fantastic effort Claire.

In the meantime, train hard, get active and stay healthy!

**Qkr!**

**NEWS**

We have been notified by MasterCard that a major update to the Qkr by MasterCard App will be launching very soon.

The user design experts at MasterCard have come up with a new design and parent experience within the Qkr app that all users will see with the update from Apple’s App Store or the Google Play store on or soon after 16 of June, 2016. Your username and password will remain the same, as will any credit or debit cards already stored within Qkr, as well as your profile settings and those of your children. What will change significantly is the look and feel of the app, and the screens you will see in the process of using Qkr.

Home screen: Our school will appear at the top of the home screen for currently registered users, but note some new terms like “Discover” and “Activity” as Qkr is being used increasing by non-school merchants around the world, so the design has been modified to cater for users in a wide range of industry sectors.

Receipts will in future be stored under the “Activity” tab. Your old receipts will still be accessible from this area.

Product selection screen: This screen will now be more efficiently used to make scrolling through a large list of products easier.

There is one feature we have always had but few people knew about, and that is the ability for busy parents/guardians to copy all of last week’s food orders to next week with the click of one button. This is made more visible in the new app with the words “Repeat Order”

For any issues or assistance please feel free to contact the school or visit our website and ‘search’ ‘Qkr’.

**NEWS**

**CAR PARK (Main Car Park)**

**DROP OFF/PICK UP ZONE**

*Remember the drop off zone is a “kiss and go” zone. Your assistance will ensure that the drop off zone flows in an ordered and steady manner.

**SOUTH MADDDINGLEY ROAD**

A reminder to all families that the South Maddingley Road visitor parking (in front of the Administration Building) is NOT to be utilised by students as a “Drop off and Pick Up” area between the following times:

**Before School: 8.00AM - 8.45AM**

**After School: 3.05PM – 3.30PM**

It is far too dangerous for cars to be reversing onto South Maddingley Road during the bus times.

We would also like to remind families that it is illegal to text and utilise mobile phones whilst driving and this includes within the School carparks. All drivers should have full concentration on their surroundings particularly whilst in School zones and near school crossings.

**CAR PARK 2 (Flag Pole Garden)**

Please note that Carpark 2 is a Staff Carpark and that students should not be dropped off or collected from this carpark. This also applies to collecting students from after school activities which conclude at 4:20pm. Please arrange to collect your children from the Main Carpark 1.

Please note that un-named property will not readily be released to students who claim ownership. Please clearly name your child’s uniform to protect your investment in its purchase.

Parents and guardians are asked to regularly check their child/ren’s uniform to ensure they have not mistakenly taken home another student’s property. Any items that may have been mistakenly taken home maybe brought to the Main Administration for distribution back to the correct family.
