Without drawing unnecessary attention to an inappropriate website, unfortunately I write to inform the School community that Bacchus Marsh Grammar has been implicated with an international website. Bacchus Marsh Grammar is one of approximately 70 schools Australia wide that have had their School crest copied onto this international webpage in an attempt to have community members contribute to the website. The website has used the past school crest to target past students in an inappropriate manner. Bacchus Marsh Grammar has taken steps in an attempt to have the website shut down, working with the Victorian Registration and Qualification Authority (VRQA), and the Victorian Police.

I would ask School community members not visit this site or contribute in any manner. The school has been in contact with the past students that have been identified, to offer support and advice as to what steps need to be taken to have the website removed. I have been in contact with the Melton CIU, who have been very supportive in their attempts to have the website removed.

I encourage parents to go onto the website https://esafety.gov.au and read the valuable information available for parents and students.

Please note: All responsible Social Networking sites have the ability for parents and students to report issues relating to bullying, threatening, inappropriate language and inappropriate images on the websites. They will investigate all reports and have the ability to remove people from their websites.

INTERNET SAFETY
The internet is an integral part of the lives of young people in Australia. The majority of the internet use is for positive reasons but this is not always the case. Staff are often asked by parents for advice when they, or their child, encounter the negative side of internet use, such as cyberbullying, gaming addiction, etc. Where serious cases of cyberbullying or of the posting of offensive or illegal content occurs, particularly where this occurs outside school hours, our advice to parents is to make a report to the service provider and/or the police.

I would like to share a couple of sites that I think are really worthwhile for parents to explore.

INESS – Internet Education and Safety Services
Both this year and last year, Brett Lee, who worked as a Queensland Police Officer for 22 years, 16 of those as a detective predominantly in the field of Child Exploitation prior to creating INESS, presented to parents at an evening session at Bacchus Marsh Grammar. This year, Brett also addressed all Year 10 students on making wise and informed decisions when using the internet. The main message delivered was intended to equip parents and students to operate in the online environment in a safe, productive and lawful manner. INESS does provide help for parents and carers on their website. http://www.iness.com.au/

The Office of Children’s Safety Commissioner
The Australian Government established The Office of Children’s eSafety Commissioner in July 2015 and is committed to helping young people have safe, positive experiences online and to act on complaints made to them. https://www.esafety.gov.au/ The online site provides programs for parents, young people and educators; iParent – provides online safety resources targeted specifically for parents and carers. One of the most useful sections can be found by following the link: https://www.esafety.gov.au/complaints-and-reporting/cyberbullying-complaints/social-media-services-safety-centres. This link lists social media services and provides support to set up the safety settings and how to report abuse of their service. As it is continually being updated, you have access to current information on changes to any of the social media services and on new ones, and there is information for parents in languages other than English.

The office also has a complaints service for young people to report serious cases of cyberbullying or of the posting of offensive or illegal content and has the authority to work with the service providers or police to have the site shutdown.

SCIENCE WEEK
Thanks to the Science staff for all of the activities that occurred throughout the week to promote Science Week. Science Night on Wednesday was a particular highlight with many junior and senior students, along with parents, being involved with robots, drones, 3D printing and experiments.

A couple of weeks ago, I was given the opportunity to attend the production of “The Sound of Music” at Her Majesty’s Theatre, Melbourne. Portia Fragapani, one of our Year 3 students, after a lengthy audition phase, was awarded the right to play Gretel in the Melbourne season of the musical. Portia’s performance was nothing less than outstanding and she demonstrated a remarkable ability in her recall of the amount of lines she was required to learn. Portia was extremely professional and animated during her performances and I was extremely proud to witness her obvious talent. Congratulations Portia!

Literacy Parade Year P-4 and selected Year 5 & 6 students
To celebrate 'Literacy Week', the Prep Reception – Year 4 Junior School will be holding a 'Literacy Parade'. It will take place in the gym on **Friday 19 August** at 9:00am and will conclude by 10:30am.

All students from Prep Reception through to Year 4 will participate in the parade. Students are expected to take part and come to school dressed up in a costume reflecting the following themes:
- Prep Reception/ Prep – Letterland
- Year 1 – The Rainforest
- Year 2 – Roald Dahl’s Fantastic Mr Fox
- Year 3 – Space
- Year 4 – Roald Dahl’s Charlie and the Chocolate Factory

Students in Year 3 and 4 must bring their sports uniform to school with them to change into after the parade. Students in Prep, Year 1 and Year 2 are to stay in their costume for the entire day. We recommend that parents dress their child comfortably and that costumes be kept simple; it is not necessary to hire anything.
We hope that you can join us for this exciting event.

**Glee Choir - Royal South Street Eisteddfod**
Students from ‘Glee Club’ will be competing at the Royal South Street Eisteddfod, held in Ballarat at Her Majesty’s Theatre on Friday 19 August 2016. The section doesn’t have an official starting time, and will continue on from previous afternoon sections commencing at 1:00pm. We approximate that the ‘Primary School Choirs’ section (805.1) should commence sometime between 3:30pm- 4:30pm, but would recommend getting to the venue at 3pm to avoid disappointment if planning on viewing the performance. **However, parents need to realise that we have no influence over the timing of the program and as such these times are only advertised as an estimate.**

Students will be leaving from BMG by bus at 2:00pm. There will be a return bus departing from Ballarat at 5:30pm which will aim to arrive back at school at approximately 6:15pm. **Please note that the bus will return to the drop off zone in the parent carpark to enable ease of collection of students for parents.**

All students are required to wear full school uniform. Students will also be required to bring their own snacks and drink to last throughout the afternoon, as well as some money if they get the opportunity to purchase an afternoon tea ‘snack’ (there is a small shop in the venue).

If you wish to pick up your child at the conclusion of the event, please note that you will need to sign out your child with BMG staff before leaving the venue.

If you wish to attend the event, tickets can be purchased from Her Majesty’s Theatre in Ballarat. Information for booking can be found at the following web address: [http://www.royalsouthstreet.com.au/tickets](http://www.royalsouthstreet.com.au/tickets)

**PREP A EXCURSION – ANIMAL LAND CHILDREN’S FARM**

**ICCES CLAY TARGET SHOOTING NEWS**

The Bacchus Marsh Grammar Clay Target Shooting Team has come of age. In three short years, the team has grown in in both numbers and skill. On Thursday 4 August the Clay Target Shooting team and their parents travelled to the Frankston Clay Target Club for a day of competition.

The Junior team were very eager to compete and in their first visit of 10 targets they were quick to rush their shots. In their second visit their nerves settled and they focused on taking the time to go through their routine and they were able to show their abilities.

The senior team were settled and handled the strong wind gusts with confidence. Mark Johnson was clearly the most improved shooter in the team. His performance can be attributed to the training undertaken over the past twelve months. Alexander and Beau Skelton took sibling rivalry to a new level with spirited sledging, however, left handed Alexander took control with his classic side by side finishing two targets ahead of Beau. New team member Stuart Campbell not only strengthened the team ranks of southpaws, he finished his first competition with 11/20 targets. Stuart was the highest scoring BMG boy.

Brianna Aldred was the best performing BMG student on the day with an impressive second visit score of 9/10. Her overall result of 15/20 resulted in her tying for 3rd place in the Girls competition with the result decided in a shoot off. With the challenges of mechanical issues resulting in a misfiring firearm, Brianna had to draw on her mental strength to remain focussed. She was relegated to 4th place, however, this fine achievement has set a high standard for our team at future events. Overall the team has improved on the previous year’s efforts and with Brianna’s achievement, we are now looking forward to making our mark on next year’s competitions. Well done to all of our competitors and thank you to their parents for their support on the day.

Fantastic cross curriculum opportunity as Elite Sports athletes get cooking!
The athletes from both the Year 9/10 Elite Sports classes have been completing a unit in Elite Sports Nutrition concentrating on pre event/training meals and post event recovery. The athletes have been investigating the appropriate foods, nutrients and hydration whilst learning from Nigel Mitchell Nutritionist for Team GB.

Last week with thanks to the generosity of the Hospitality Department and in particular Mrs Frislie, the athletes swapped weights for aprons and were able to partake in a practical cooking class, taking the theory they have learnt into the kitchen. The class was a huge success and the most important meal for any athlete, breakfast has now taken on a new “spin” for our athletes.
**Bacchus Marsh Grammar Elite Sports athletes win National titles**

Congratulations to Max Noble and Ben DeBortoli (FedUni WestVic and BMG Scholarship athletes) who have again cleaned up at a major meet; claiming two Gold and one Bronze medal between them at last weekend’s National Karate Championships, held in Melbourne.

In the individual competitions, Max won gold in the individual 16-17 years +76kg, Ben won gold in the individual 16-17 years -76kg and Joel took bronze Under 21 male -84kg.

Max and Ben then teamed up with two other Victorians to win the team event for Victoria first defeating NSW then QLD in the final.

Once again congratulations to all on a great week for BMG Mustangs in Sport! In the meantime train hard, get active and stay healthy!
