I welcome students, parents and staff to the commencement of Term 4. It has been a great opportunity for me to take a combination of Sabbatical and Long Service Leave over last term and I would like to thank all staff but in particular Kevin Richardson, Liz O’Day, Jenny Jovanovic, Greg Gough and all senior staff for taking up extra responsibilities to enable the school to run smoothly. I will write further of some of the things that have come out of my Sabbatical Leave which will enable us to improve our practice at the school in weeks to come.

The school will be opening an Early Learning Centre facility for 2 year old to four year old children at Woodlea in 2017. The Woodlea Development will be having an open day style celebration this weekend and the school will be represented. I encourage anyone who is interested to visit Woodlea over the weekend or if you are unable to attend and have an interest in the Woodlea ELC to contact Kerry Osborn (Director of the ELC) at the school to discuss your interest.

A range of building projects have commenced at the school and I apologise in advance for any disruption. I will discuss the building projects in subsequent newsletters. At present projects are on schedule and we are basically looking at another major change to the face of the school by the end of Term One 2017.

BMG Elite Sports and FedUni WestVic Academy of Sport Athletes, Max Noble, Ben De Bortoli and Jack Carr have excelled over the holiday break.

In Noumea at the Oceania Karate Championships, Max Noble made it a “triple crown” of major titles this year; winning the “Individual 16-17 year old boys +76kg” division, adding this title to his Australian Open and Australian Championship crowns won earlier this year, whilst Ben DeBortoli brought home silver in the same division, albeit in the - 76kg section. INDONESIAN STUDIES NEWS

During the Term 3-4 break Steven Bell, Michael McIntyre and Georgie Worland ventured to Indonesia in preparations for the 2017 Year 10 trip.

The group spent 6 days between Yogyakarta, Ubud and Sanur doing a number of activities that the students will do as part of the trip next year. These included 4-wheel driving around the Merapi volcano site, making batik, cooking traditional food, visiting a local high school, spending time on a farm, testing our bargaining skills in Kuta and immersing ourselves in conversation with locals and guides alike.

Whilst it was an incredibly busy time with long days, the activities were interesting, lots of fun and will no doubt be incredibly worthwhile for our students come March 2017. I would like to thank Andrew Neal, Kevin Richardson, Jenny Jovanovic and Margaret Buchanan for their support with this venture, but most importantly thank Steven and Michael for their unwavering support, fantastic sense of humour and willingness to assist in any way they could. We look forward to next year.
