It is pleasing to see so many of the projects around the school starting to become a physical presence. Last Friday I was at Kinglake looking at the beginning of the construction of buildings for the new Early Learning Centre for Woodlea. This is progressing well and many rooms related to new classroom blocks at Bacchus Marsh. By the end of Term One we will have constructed 20 new classrooms which will mean that we have completely rehoused the Junior School in under two years.

The start of any term sees a degree of pushing the boundaries in relation to hair and uniform. Our policies in these areas are consistent and long-standing, we are a school that values uniform and does not accept that moving to the vagaries and whims of transitioning fashions are values we want to promote within the school. This is made clear upon enrolment and we again have an expectation made clear before enrolment that parents support the school in enforcing the school’s policies in these areas. Thank parents for their support last week when we have had such issues.

It has been a pleasure to start to interview and make offers to 2017 School Leaders. We will announce these positions next week alongside a broader revamp of how student leadership will be conducted across the Senior School beginning in 2017.

The School as part of its funding agreement with the Commonwealth is required to develop and implement a School Development Plan. I would be pleased to receive any written submissions from parents on items they would like considered in such a plan. General headings which will be included are:

i) Improvement of student academic outcomes
ii) Capital improvements
iii) Pastoral and welfare improvements

Submissions can be emailed to me on school@bmg.vic.edu.au or a hard copy addressed to me via Reception by Friday 21 October.

SENIOR SCHOOL COLOURS
School Colours and Leadership are held in high regard at Bacchus Marsh Grammar. School Colours are a recognition of involvement in school related activities and being a representative of Bacchus Marsh Grammar. There are many varied events and activities that students can opt to participate in, or be selected as a representative for. From the beginning of this semester, Senior School students are able to download a record sheet [Excel Spreadsheet] from the student portal, to keep a record of the events and activities that they have and have been involved in, allocate points and keep a personal record of their progress toward School Colours.

Once they have achieved 90, 180 or 270 points, they are to email their spreadsheet to me, as an application to be presented with their School Colours.

School Colours and being a representative of Bacchus Marsh Grammar is a key criterion for application and selection to leadership positions at all year levels throughout the Secondary and Junior School. An integral component of being selected to be a School Prefect in Year 12, is to have been awarded School Colours, demonstrating a commitment to Bacchus Marsh Grammar.

SENIOR SCHOOL EXAMINATIONS
Examinations for students, Years 7 to 11 are to commence Friday 11 November. An examination timetable for students, will be issued to students and published in the weekly newsletter in the coming weeks. Please ensure that your child is familiar with the times that their exams occur. All students (Years 7 to 12) should already be participating in a regular homework pattern as a matter of normal work habits, however leading up to examinations periods, the focus should be on constructive revision and preparation for their examinations.

STUDY TIPS
Please refer to the following link for studying tips and study resources.

They offer good advice such as:

1. Pick a place and time
Everyone has their own idea about the best place and time to study. Whether it's your bedroom at night or the library after school, find a study space and a regular study time that works for you and stick with it.

Set up your study space - Your study space should be quiet, comfortable and distraction-free. It should make you feel happy and inspired. Decorate it with your favourite pictures or objects. If you want to listen to music or burn incense, pick a space that lets you do that.

Find your best time - Some people work better in the morning. Others work better at night. Work out which time suits you and plan to study then. Don't study much later than your usual bedtime - pushing yourself late at night can make you too tired to study properly.

2. Study every day
If you study a little bit every day, you'll be continually reviewing things in your mind. This helps you understand things. It also helps you avoid the stress of last-minute cramming.

Early in the year an hour or two a night might be enough to stay on top of things. Later in the year you might need to study more each day.

If you're finding it hard to find time to study, cut back on some (but not all!) of your other activities. Prioritising study might mean spending less time online, or it might mean cutting back on shifts at work, or giving weekend sport a miss for a while.

Neighbours Place Food Train is at school for 2016!

The food train is here again in 2016 and BMG has begun collecting donations of non-perishable items in support of The Neighbours Place in Bacchus Marsh just in time for Christmas. The JS & SS SRC teams would like to encourage students and staff to contribute to the “Food Train” from the Neighbours Place located in Bacchus Marsh.

ABOUT THE NEIGHBOURS PLACE - The Neighbour’s Place is a not-for-profit organization staffed by volunteers. The primary purpose of the Neighbours Place is to provide food assistance to those in need. Highly valued food items include: canned meats, canned soup, breakfast cereal, long life milk, dry pasta or rice, canned vegetables such as tomatoes, peas and corn. These items really do make a difference to someone who is doing it tough.

The JS and SS SRC are aiming to collect at least 1200 items to donate to the Neighbours Place. This number represents one item from each family at the school so please jump on board the train and help those in need.

Nonperishable items are to be collected by class and tutor groups and brought to the Administration Office after AM Class/Tutor group.
