FROM THE PRINCIPAL

On Wednesday our Year 12’s started the day with their “Dress Up” morning which has become a feature of the Year 12’s last day. This was followed in the evening with their Valedictory Dinner at Etihad Stadium with over 800 guests. Both activities went extremely well and the common feature was a sense of good will and pleasantry. Our senior students do (with the occasional lapses that we should expect with teenagers) set a wonderful example for the rest of the school. I wish those who have already completed year well in their endeavours and the others about the sit examinations all the best in the following weeks.

I again remind parents that the school is in the process of producing its School Improvement Plan. If there are any issues or comments in the broad areas of:

- Student academic progress
- Pastoral care
- Facilities

Please email me your submission to: school@bmg.vic.edu.au or a hard copy addressed to me via Reception by Friday 21 October.

**SENIOR SCHOOL COLOURS**

School Honours Award – awarded to students who have excelled in their involvement in the life of the school.

The following students have been involved in all of the following each and every year of their time at Bacchus Marsh Grammar:

Interschool sports, School productions, Academic competitions, School functions, Music Performances, Academic awards, Effort awards, Public speaking, Debating, Leadership and Community Service.

This group of Years 12 students have each registered in excess of 360 school colours points and were awarded School Honours at the Year 12 Valedictory Dinner. Congratulations to:

**Phoebe Hogarth, Kieran McKenzie, Jacob Micevski, Cameron Richardson and Nicole Staunton**

School Colours and Leadership are held in high regard at Bacchus Marsh Grammar. School Colours are a recognition of involvement in school related activities and being a representative of Bacchus Marsh Grammar. There are many varied events and activities that students can opt to participate in, or be selected as a representative for. From the beginning of this semester, Senior School students are able to download a record sheet [Excel Spreadsheet] from the [student portal](http://www.youthcentral.vic.gov.au/studying-tips/resources/top-10-study-tips), to keep a record of the events and activities that they are and have been involved in, allocate points and keep a personal record of their progress toward school colours.

Once they have achieved the level of 90, 180 and/or 270 points, they are to email their spreadsheet to me, as an application to be presented with their school colours.

School Colours and being a representative of Bacchus Marsh Grammar is a key criterion for application and selection to leadership positions at all year levels throughout the Secondary and Junior School. An integral component of being selected to be a School Prefect in Year 12, is to have been awarded School Colours, demonstrating a commitment to Bacchus Marsh Grammar.

**SENIOR SCHOOL EXAMINATIONS**

Examinations for students, Years 7 to 11 are to commence November 11. An examination timetable for students, will be issued to students and published in the weekly newsletter in the coming weeks. Please ensure that your child is familiar with the times that their exams occur. All students (years 7 to 12) should already be participating in a regular homework pattern as a matter of normal work habits, however leading up to examinations periods, the focus should be on constructive revision and preparation for their examinations.

**STUDY TIPS**

Please refer to the following lick for studying tips and study resources.

They offer good advice such as:

1. **Pick a place and time**

Everyone has their own idea about the best place and time to study. Whether it’s your bedroom at night or the library after school, find a study space and a regular study time that works for you and stick with it.
Set up your study space - Your study space should be quiet, comfortable and distraction-free. It should make you feel happy and inspired. Decorate it with your favourite pictures or objects. If you want to listen to music or burn incense, pick a space that lets you do that.

Find your best time - Some people work better in the morning. Others work better at night. Work out which time suits you and plan to study then. Don’t study much later than your usual bedtime - pushing yourself late at night can make you too tired to study properly.

2. Study every day
If you study a little bit every day, you'll be continually reviewing things in your mind. This helps you understand things. It also helps you avoid the stress of last-minute cramming.

Early in the year an hour or two a night might be enough to stay on top of things. Later in the year you might need to study more each day.

If you’re finding it hard to find time to study, cut back on some (but not all!) of your other activities. Prioritising study might mean spending less time online, or it might mean cutting back on shifts at work, or giving weekend sport a miss for a while.

In addition to these sessions, enrolled students will also be required to participate in an Orientation Day on Tuesday 29th November 2016. More information about arrangements for this day will be distributed at a later date.

Please note that a Prep Reception/Prep Information Night will be held for parents on Wednesday 9 November. More information about this event will be distributed soon.

BRAVEHEARTS INCURSION
All students in Year Prep to Year 2 will attend the Bravehearts Personal Safety Education incursion, “The Ditto Show”, at school on Tuesday 25 October, 2016. Bravehearts believe that by providing children with the basic principles of personal safety, we are providing them with the tools to stay safe.

Just as teaching the road rules cannot guarantee our children’s safety on the roads, no program can guarantee to “abuse-proof” our children. But by teaching them the principles of personal safety we are giving them the skills and strategies they need to stay safe and know what to do if anything does happen.

The “Ditto Show” is a live performance with “Ditto” being the star attraction. The show runs for 35 minutes. The program has been delivered throughout other states in Australia since 2006 empowering over 300,000 children. “Ditto”, the Bravehearts’ mascot comes to life as the star of Ditto’s Keep Safe Adventure Education Program to ensure the show is delivered in a fun, interactive and engaging manner.

Specially written songs for the show include: “Private Parts” and “Run and Tell Someone You Can Trust”. Ditto’s Keep Safe Adventure Education Program and resources are NOT sex education. Private parts are simply explained as the mouth, the chest, between the legs and our bottoms.

Topics covered throughout the show consist of “Yes” and “No” feelings, The Body’s Warning Signs, Private Parts, Secrets and what to do if you feel unsafe or unsure.

If you would like more information the link below provides more details and an overview of what will be covered with the children.

Study Tour to Vietnam
We are proposing to offer a study tour to Vietnam for students in Year 6, 2017 (current Year 5s.) We plan to conduct an information evening on Wednesday 26 October 2016 beginning at 5.30pm in Room F 9/10 (Year 5/6 Block). During the course of the evening we will discuss aspects from our previous tour experiences, the proposed itinerary for 2017, discuss any concerns and distribute expressions of interest forms. We will also provide information regarding the relationship that has been established in Nha Trang at the Loc Tho Pagoda Orphanage and Charity school.

We understand before parents could begin to consider any commitment to such a program that there will be a wide gamut of questions and reservations you may have. This will be the perfect opportunity for you to have all these answered and discussed. It is also recommended that you bring your child with you to the information evening.
We believe this is an extremely exciting opportunity for your child, providing a very diverse cultural experience and encouraging students to imbue the traits of a global citizen. It is a prime opportunity for your child to be considered to participate, as there will be a cap on the number of students who will be offered this prospect.

Looking forward to seeing interested parents and students at the information evening.

**Neighbours Place Food Train is at school for 2016!**

The food train is here again in 2016 and BMG has begun collecting donations of non-perishable items in support of The Neighbours Place in Bacchus Marsh just in time for Christmas. The JS & SS SRC teams would like to encourage students and staff to contribute to the “Food Train” from the Neighbours Place located in Bacchus Marsh.

**ABOUT THE NEIGHBOURS PLACE** - The Neighbour’s Place is a not-for-profit organization staffed by volunteers. The primary purpose of the Neighbours Place is to provide food assistance to those in need. Highly valued food items include: canned meats, canned soup, breakfast cereal, long life milk, dry pasta or rice, canned vegetables such as tomatoes, peas and corn. These items really do make a difference to someone who is doing it tough.

The JS and SS SRC are aiming to collect at least 1200 items to donate to the Neighbours Place. This number represents one item from each family at the school so please jump on board the train and help those in need.

Nonperishable items are to be collected by class and tutor groups and brought to the Administration Office **after AM Class/Tutor group.**

**ICCES Summer Competition**

This year’s Summer ICCES Competition saw a round robin format tournament held between Bacchus Marsh Grammar School, Braemar College, Goulburn Valley Grammar School and Ballarat Grammar School in Ballarat on the 13 of October. Unfortunately because of the amount of rain that had fallen in the preceding weeks the cricket and softball competitions had to be cancelled due to the unplayable nature of the fields. However, a fantastic day was had a the other two sports; Tennis and Volleyball with keen competition played at both. The BMG Mustangs had a fantastic day across all sports and secured the 3rd Place on Aggregate as well as winning the Junior Girls Tennis Shield and coming runners up in the Junior Boys & Girls and Intermediate Girls Volleyball. This was a great result and comes off the back of their Winter Tour Aggregate win in Shepparton.

Congratulations to all athletes that worked extremely hard in practice sessions leading into the competition and to the coaches.
who did a fantastic job not only on the day but also in the training sessions. A big thankyou to all schools involved for supporting the competition and making the day a huge success.
