From the Principal

Australia has long historic and social links with the Indian subcontinent. These have in recent years been enhanced by an increasing array of personal relationships as families from Bangladesh, India, Pakistan and Sri Lanka migrate to Australia. Individuals with family backgrounds from these countries make up and increasing component of the School population.

It is therefore a great pleasure to announce two Indian related successes by the school community in the last week.

Li Richardson a long standing member of staff has been successful in gaining an Australia – India BRIDGE School Partnerships Project award. This will see Li complete a teacher exchange in India. The aim of the program is to help develop links between schools and our hope is that Li’s involvement in the program will further enhance our relationship with particular schools in India.

The Year 6 cohort participated in the Indian Essay Writing Competition which involved students writing an in depth essay focusing on the multicultural links between Australia and India. It is also with great pleasure that I can inform the community that Eloise Driver won first prize in the competition which carried with it a trip to India with a member of her family. The School as the institution with the most number of submissions in the competition has also been awarded access to the AFL leadership program for a group of our students. I would like to congratulate Eloise and all those who entered this significant competition.

Global citizenship is an important component of the toolkit for anyone who is to be successful in the next 50 years. It is wonderful to see our school having success in developing young people who are attuned to this need. Again well done Li and Eloise.

Congratulations are also to be extended to the 2017 School Leaders. Selection for leadership is a long process and I congratulate all those who put themselves forward for positions. A full list of leadership positions is included in Mr Richardson’s section of the newsletter.

Old Uniform Items

The School realises that a number of families will still have serviceable uniform items with the old school logo on them. It has and is making arrangements for any items that fit into this category to be distributed to Third World Schools supported by the School community; including an orphanage in Vietnam that our Grade 6 students visit.

If you have any such items I would request that clean items are bagged and brought to the Main Administration Office and we will organise a good home for them.

I remind parents that pockets with the new logo are available from the Uniform Shop, meaning that blazers can be rejuvenated.

Andrew A Neal
Principal

*Please note there will not be a newsletter published next week due to the mid-term break.*
SCHOOL LOGO
As previously advised over the last 3 years; from the beginning of 2017 all school uniform items must include the current school logo as pictured.

SCHOOL LEADERS 2017
Throughout Term 3 Mr Cooper, Mrs Jovanovic and Mrs Thornton have been interviewing our current Year 11 students for Prefect positions for 2017. As is with each year, this has proven to be a difficult task, having to make choices about who might be the person most deserved for the position. Especially when the students have been able to display very good leadership qualities throughout their years at Bacchus Marsh Grammar. Being appointed to a Prefect position is recognition of 1, leadership qualities and 2, participation in school events, throughout their time at Bacchus Marsh Grammar.

The process was one of a written application, recommendations from staff, input by all VCE students and an interview. For any student who missed out on a position for 2017, don’t let this stop you from participating in and organising activities or events, as Mr Neal and I regard all Year 12 students as School Leaders and will reward the efforts of any Year 12 student who makes a contribution to the community at Bacchus Marsh Grammar.

Congratulations to the following students:

Examinations for students, Years 7 to 11 are to commence Friday 11 November. An examination timetable for students, will be issued to students and published in the Weekly Newsletter. Please ensure that your child is familiar with the times that their exams occur. Year 6 Excursion
As part of the History and Geography, Immigration and Refugees; and the Information Literacy units, Once and Naved; Year 6 students will take part in an excursion to further their learning and understanding of the topic on Thursday 3 November, 2016.

Students will be travelling in two groups, to visit two centres in Melbourne, in both morning and afternoon visits. They will take part in educational programs that align with the curriculum the students have been learning throughout the units. The centres and educational programs include:
Islamic Museum Australia – Muslim Migration and Building of a Nation

This program involves stories regarding people within the Muslim community who have migrated to Australia spanning across generations and the reasons for their migration. Students will also extend their knowledge of positive impacts to Australia resulting from their resettlement.

Page 2 of 6
Jewish Holocaust Centre – Hide and Seek: Stories of Survival
This program enables the students to gain further knowledge of the impact of the restrictions and discrimination against the Jewish community in the Nazi Europe era. They will hear from a Holocaust survivor and listen to their story of survival as well as gain an understanding as to the physical, mental and emotional challenges of hiding and the need to take on a new identity in an unfamiliar country.

Buses will be departing the school at 8:50am and returning by 3pm.

Students will not need to take their school bag on the excursion, however, they will need to take a labelled plastic bag with their snack, lunch and drink bottle.

Students are required to wear full school uniform on the day.

A huge congratulations to Eloise Driver of Year 6 for winning the Indian Essay Writing Competition. This was a nation-wide writing competition focusing on multiculturalism and the links between India and Australia.

Eloise was invited to take the stage at Federation Square on Saturday evening as a part of the Diwali Festival, where she was awarded two return airfares to India.

We would also like to congratulate all the Year 5 and 6 students for entering the competition. With over 220 entries, Bacchus
Marshall Grammar took out the award for most entries. BMG has won a six-week leadership program through the AFL.

The Indian Essay Competition has been a great success and an extremely valuable experience for all of our students.

**Neighbours Place Food Train is at school for 2016!**

The food train is here again in 2016 and BMG has begun collecting donations of non-perishable items in support of The Neighbours Place in Bacchus Marsh just in time for Christmas. The JS & SS SRC teams would like to encourage students and staff to contribute to the “Food Train” from the Neighbours Place located in Bacchus Marsh.

**ABOUT THE NEIGHBOURS PLACE** - The Neighbour's Place is a not-for-profit organization staffed by volunteers. The primary purpose of the Neighbours Place is to provide food assistance to those in need. Highly valued food items include: canned meats, canned soup, breakfast cereal, long life milk, dry pasta or rice, canned vegetables such as tomatoes, peas and corn. These items really do make a difference to someone who is doing it tough.

The JS and SS SRC are aiming to collect at least 1200 items to donate to the Neighbours Place. This number represents one item from each family at the school so please jump on board the train and help those in need.

Nonperishable items are to be collected by class and tutor groups and brought to the Administration Office after AM Class/Tutor group.
