FROM THE PRINCIPAL

We are fast approaching the end of the year. Last night I attended the Grade 6 Graduation Dinner. I would like to congratulate all students on the way they presented themselves and enjoyed the evening. They finish Primary school on a high note and I look forward to their contribution to the school in coming years.

Congratulations also to our students involved in the Massive Murray Marathon who in our first year in the event have won the Nyerna Trophy. The trophy is awarded to the school that best expresses the spirit of youth, spirit of the school and enthusiasm for being out on the river. The award looks at how well you compete and encourage others and the balance of fun and respect that competitors are able to show. What a great award for our students to achieve and what a wonderful reflection of the values we are looking for our students to display and live.

As this is the last Newsletter of the year I wish you all a happy, restful and safe break. For those celebrating major religious festivals may you enjoy a sense of peace and joy. I look forward to 2017.

Andrew A Neal
Principal

BOOKLIST NEWS

2017 Booklists
Booklists must be either posted directly to Ballarat Books, or use the web return option as stated on the booklist cover letter from Ballarat Books. The school is no longer accepting booklists.

Booklist collection day for 2017 is **Thursday 12 January** and **Friday 13 January**. The collection day will operate from Wilson Hall between 9:30am and 3:00pm.

If you are unable to collect your child’s books on the collection days; for your convenience, please ensure that you select the **postage option**. Booklist Parcels not collected or paid for on collection day will be taken back to Ballarat Books and parents will need to arrange collection with Ballarat Books. Please refer to the payment options section on the Ballarat Books cover letter. The School preferred payment option for booklists handed into the office is payment by Credit Card or Cheque *(payable to Ballarat Books)*. Please note that if you do pay for your booklist items by cash, the correct amount must be included in a **sealed** envelope.

Once your child receives their book order, please ensure that you clearly name each item. **It is important that as many items as practicable are brought to school on the first day of term.**

Please contact Michelle Graham if you have any queries.

JUNIOR SCHOOL SPORTS NEWS

**HOOP TIME BASKETBALL STATE FINALS**
What an amazing year out basketballers have had representing our school in Basketball Victoria’s Hoop Time competition this year. Of the 6 teams entered in their respective divisions, we had 4 teams play off in the State Finals in Dandenong last week – Junior All Star Boys, Junior All Star Girls, Junior Mixed Future Stars and Senior Mixed Future Stars.

Each team progressed through two qualifying days throughout the year, winning Grand Final in our local Hoop Time Competition and the Regional finals, to make it to States.

To put this achievement in perspective, throughout Victoria there were over 800 teams representing more than 650 schools in each division. 16 Boys and Girls teams and 32 Future Stars teams progressed to the State Finals in each division. We finished in the top 16 in each!

I sincerely thank my fellow coaches and officials Travis Newton, Trevor Hilton, Narelle Bens, Pete O’Connor and Tamie Chadwick for their hard work and dedication throughout the year. Much credit, however, must go to not only those who represented our school, but all students who tried out for Hoop Time this year.

ENGINEERING TECHNOLOGIES NEWS

**3D PrintACar Challenge – Final**
During science week celebrations in August, Bacchus Marsh Grammar entered two teams in the 3D PrintACar Challenge Qualifying day. One hundred and sixty entrants participated in this popular competition hosted by Quantum Victoria centre for excellence and innovation in STEM.

The competition invites students from across Victoria to design, engineer and 3D print a CO₂ drag racer. The rules are simple, however, the design brief is detailed. The axles are the only non 3D printed component. The teams are judged by four categories, being; fastest car, best poster, best printed and finished car, most creative design.
BMG had two team entrants in this year’s competition and included Year 11 VCE Systems Engineering students Nicholas Archon and Jacob Sinclair along with Year 9 Flight Technologies and Mechatronics students Stuart Campbell and Benjamin Eley.

Both teams progressed through to the final round of sixteen teams. To prepare for the final held at La Trobe University Engineering on 23 November the students had new design briefs that required redesigning their 3D printed cars. The finals required the printed cars to survive multiple races that tested team’s reaction times and build quality.

Both BMG teams progressed through to the semi-final round of four teams that provided exciting racing separating the team’s cars by tenths of a second. The BMG teams posted the overall fastest two times with their cars reaching speeds in the mid 70 Km/h range and securing both teams a place in the grand finale.

The BMG Year 9 team claimed victory over the Year 11 team in the final and bragging rights as fastest car. The Year 11 team claimed overall winner and the major prize, a 3D printer for the school. Congratulations to both teams the final and we look forward to the BMG qualifying day to select two new teams for the state-wide competition next year.

Rohan Bryan
Learning Area Coordinator: Engineering Technologies

This is the first year that BMG have participated in the event. As Mr Neal has previously mentioned the team won the Nyerna Award Trophy.

This trophy is presented to the high school that best expresses the spirit of youth, spirit of your school and enthusiasm for being out on the river.

Nyerna is a word from the Wemba Wemba language and it means - to sit, to listen, to hear, to remember.

The winning school team was judged on several areas:
• How well you compete and how well you encourage your team mates to paddle well.
• How well you engage with and encourage other schools and competitors.
• How well your team contributes to the event with a sense of fun and respect”

The team also achieved the fastest school time on handicap. Congratulations to all involved.

SENIOR SCHOOL MASSIVE MURRAY MARATHON NEWS

The Massive Murray Paddle is a 404 km, 5-day canoe/kayak flatwater paddle on the Murray River, bordering Victoria and New South Wales. The paddle started in Yarrawonga and heads downstream through Tocumwal, Picnic Point, Echuca, Torrumbarry and Murrabit before finishing in Swan Hill five days later. The Massive Murray Paddle was an amazing 5-day paddling adventure, that raises funds to assist local community-driven programs. This year the Massive Murray Paddle took place from 21 to 25 November, 2016.

Prior to the event a range of sessions for students were held in preparation for the Massive Murray Paddle including, off-water skills and fitness sessions and after school on-water safety and technique sessions at Pykes Creek and the Werribee River at Melton South.
HOLIDAY REMINDER
There will be an all-day rehearsal on Wednesday, 1 February in Wilson Hall for the whole cast and the orchestra.

The rehearsal will take place during normal School hours. School bus services will be operational on this day and the canteen will be open to students. Students involved in rehearsals do not have to wear school uniform for the rehearsal day.

Lost Property
Please check that all items of student’s clothing are clearly named: in doing so, items mislaid and taken to lost property will quickly be returned via class/tutor group teachers to their owners.

Please note that un-named property will not readily be released to students who claim ownership. Please clearly name your child’s uniform to protect your investment in its purchase.

Parents and guardians are asked to regularly check their child/ren’s uniform to ensure they have not mistakenly taken home another student’s property. Any items that may have been mistakenly taken home maybe brought to the Main Administration for distribution back to the correct family.
