A Myotherapist usually assesses and treats patients with postural problems, with the aim of restoring the body to its ideal state. This generally involves the manual realignment of muscles, joints, ligaments, and tissues which have become damaged or misaligned. Often Myotherapists plan, apply and assess massage treatment in the health care and soft tissue treatment industries. Myotherapy is offered at several institutions including Australian College of Sports Therapy, Box Hill Institute, Chisholm Institute, Holmesglen Institute, RMIT, and Southern School of Natural Therapies, to name a few. For most institutions, there are no pre-requisite VCE studies. Visit Australian Natural Therapists Association to find out more!	3

- Diploma
- Advanced Diploma
- Graduate Certificate, and
- Graduate Diploma

For more information please visit the Department of Education and Training website at [VET Student Loans](#)

Swinburne University

New Bachelor of Engineering Practice (Honours)

Swinburne will be releasing a *new Bachelor of Engineering Practice (Honours)* degree from 2018. This course will offer an alternative to the traditional teaching and assessment approaches in engineering. It has been co-designed with multiple industry partners to ensure that future graduates will be well-prepared to go into an existing company or create their own. **Entry to the degree will be based on interview rather than ATAR results and assessment will be based on individual performance within a team rather than on exams.** The degree will run alongside the existing [Bachelor of Engineering \(Honours\)](#), and will conform to the requirements for accreditation by Engineers Australia and students will graduate as engineers. Students should note that any maths is acceptable.

SpotJobs.com

SpotJobs

SpotJobs.com is Australia's fastest-growing online job board, focusing on permanent and flexible employment opportunities. Students looking for casual or part-time work are encouraged to spend some time searching this excellent resource.

Jobseekers can search and filter jobs by location and working conditions, including the time of day they would like to work and preferences such as working indoors or outdoors, or in a customer-facing role.

For students, this means they can focus on study while learning new skills that will help build their careers for the future.

SpotJobs provides an easy-to-use platform that means no matter where you are, or what device you're using, it's simple to search, apply and get hired.

Profile of Myotherapy/Massage Therapy

Students often enquire about *what Myotherapy is, where one can study for it and the possible pre-requisite studies.*

A **Myotherapist** usually assesses and treats patients with postural problems, with the aim of restoring the body to its ideal state. This generally involves the manual realignment of muscles, joints, ligaments, and tissues which have become damaged or misaligned. Often **Myotherapists** plan, apply and assess massage treatment in the health care and soft tissue treatment industries. **Myotherapy** is offered at several institutions including **Australian College of Sports Therapy, Box Hill Institute, Chisholm Institute, Holmesglen Institute, RMIT, and Southern School of Natural Therapies**, to name a few. For most institutions, there are no pre-requisite VCE studies. Visit [Australian Natural Therapists Association](#) to find out more!

Southern School of Natural Therapies
