Dear Student,

Career planning is an evolving exercise that takes time to 'cycle' through many stages of exploration. Students beginning in Year 9 have embarked upon their first formal 'Careers' session during their Leadership Program and have been introduced the below model of career planning.

The first stage involves 'Knowing yourself' which includes finding out what skills you have, what interest you have and what values you highly regard. 'Knowing yourself' allows you to reflect on your likes and dislikes and helps you identify any 'gaps' in what type of skills or subjects you need before committing towards a career direction.

The second stage includes exploring all possibilities, and gaining knowledge about different future education requirements, occupations and industry areas. Information gathering can take many forms and one effective way to gain this type of information is to attend many of the free tertiary 'experience' and information and activities sessions running over the Term One break.

Free Term One events are listed throughout this newsletter, so please read through the information carefully.

The third stage involves 'Making Decisions'. In the Senior School years, this is normally denoted by subject choices and part-time job commitments. Gaining much popularity, is student involvement in community volunteerism. Volunteerism has been a great attribute of a high proportion of our student-base and is highly encouraged to help support future decision making as well as develop necessary employability and leadership skills.

The last stage sees students act on their informed decisions by further enriching their career aspirations. For some, it may see them re-direct their career goals to another industry area or field dependent on their exploration findings. This cycle is believed to continue throughout one's life, but students at BMG are encouraged to develop skills to cope with change.

Enjoy the Easter Break.

Mrs Alice Wu-Tollis
Career Development Practitioner

Jennifer Ly
Academic Prefect

Stephanie Trento
Vice Captain Academic Prefect

A Day at Melbourne

The University of Melbourne is this event for Year 10 - 12 students, local and international, allowing students the opportunity to come and explore the Parkville campus and find out more about the range of study options available at the university.

Students will be able to find out more about:

- How the Melbourne Model works?
- Undergraduate degrees and the pathways to postgraduate study at Melbourne
- Entry requirements and admissions information
- Accommodation options
- Access Melbourne
- Scholarships
- Opportunities to enhance your study such as concurrent degrees, Study Abroad and Exchange, Clubs and Societies and more

Date: Friday 6 April 2018

Time: 9.00am – 3.30pm

Location: Parkville Campus, the University of Melbourne

Registration: Registration is essential – registrations open soon at [A Day at Melbourne](#).

'My Melbourne Future' Series

Senior students should note that during the months of May and June, the University of Melbourne will be hosting a series of *free 'My Melbourne Future' Information Sessions at the Parkville Campus* in the early evening, aimed at informing prospective students about the courses on offer; hear from current students, academic staff and recent graduates about what it is like to study that degree or course at Melbourne, and the career and personal development opportunities available to graduates. These events will include a Careers of the Future presentation, a sample lecture, student experience insights with Q&A and a courses expo.

Registrations will open soon, but students can pre-register for updates from Melbourne at [My Melbourne Future](#)

Date	Event
Tuesday 15 May	Agriculture, Science, Technology, Engineering, and Design
Thursday 31 May	Health, and Veterinary Science
Tuesday 5 June	Economics, Business, Law, Humanities, Arts, Social Sciences
Thursday 7 June	Creative and Performing Arts
Tuesday 14 June	Economics, Business, Humanities, Social Sciences, and Education

News from the Science Faculty

Monash Science recognises the importance of *industry based experience* and knowledge to prepare students for their future careers. Students can complete an industry project, or build their employability skills with career focused units including:

- ✓ **Science Schools Project** – students are placed in teams in a school environment where they teach science to school students. This immersive experience develops highly transferable skills including communication, project and time management and team- work. Students may use this opportunity to get a taste for teaching as a possible career.
- ✓ **Science Industry Placement Unit** – this credit unit enables students to undertake a science-based industry placement of at least 80hrs. Students have the opportunity to put into practice the knowledge and skills developed in their course.
- ✓ **Career Skills for Scientists** – this unit uses work-related activities to enhance transferable skills including commercial awareness, leadership, teamwork and communication. Through scenarios and creative problem solving activities, students learn about the business environment. Students will also gain training in writing a CV and job applications.

For more information about studying Science at Monash, visit [Monash Science](#)

Studying Health at the Peninsula Campus

Monash Peninsula is home to a variety of undergraduate and graduate programs in Medicine, Nursing and Health Sciences including Paramedicine, Nursing and Midwifery, Occupational Therapy and Physiotherapy.

Located in Frankston, our Peninsula campus is a great place to study, offering all the amenities students need within a small, friendly community.

Interested in finding out more about what's on offer at Peninsula, but no time to visit? Take a 360° virtual tour of the learning spaces [Studying Health at the Peninsula Campus - YouTube Clip](#)

Global Immersion Guarantee

The **Monash Arts Global Immersion Guarantee (GIG)** is a ground-breaking *new* initiative – a guaranteed two-week overseas study experience for all first year **Bachelor of Arts** and **Bachelor of Global Studies** students who have successfully completed one semester of their Bachelor of Arts or Bachelor of Global Studies single or double degree and are in good academic standing. The cost of airfares, accommodation and local travel will be covered as part of the program.

Students will study the impact of the global movement of people and goods on environmental sustainability; in either Prato (Italy), Monash Malaysia, or Indonesia, and students will earn credit for two units towards their degree.

Find out more at [Global Immersion Guarantee](#)

New in 2019: Bachelor of Criminology

In the new **Bachelor of Criminology**, students will develop specialist knowledge of specific criminal concerns, including hate crime, serious and violent crime, cybercrime, and transnational and organised crime.

Students will also have opportunities to travel internationally to meet criminal justice experts across Asia, Europe and the Americas; to undertake field trips; and to participate in internships.

Along the way, students will:

- ✓ Be challenged to apply abstract knowledge to real-world problems of crime and justice, and develop solutions.
- ✓ Consider the local, national and global aspects of crime and justice, and become familiar with a range of lenses for considering and assessing the efficiency and impact of society's changing understandings and responses.
- ✓ Gain an in-depth knowledge of victimisation and perpetration, as well as inequality and how it impacts approaches to understanding crime and difference.
- ✓ Learn about the types of crime committed by individuals, groups, organisations and states, and the mechanisms of the criminal justice system including police, courts and corrections.

Career prospects are broad and could include roles in government organisations such as the Police Force or court systems, the Office of Corrections, the Department of Justice or the Attorney-General's Department. Graduates with criminology specialist understanding are also sought after in anti-corruption organisations, community legal centres, human rights organisations, criminal justice centres, or private organisations responding to issues of crime.

For more information, go to [Bachelor of Criminology](#)

Inside Monash Seminar Series 2018

Get the inside story of what it's really like to study at Monash. You'll hear from a current student, a past student and an academic. It's the best 90 minutes you could spend researching your course. Bring along your parents too! The **Inside Monash Seminar Series** commences in April! These seminars provide VCE students with an insight into the courses and career options within discipline areas. The seminars are held in various locations across the Caulfield, Clayton, Peninsula, and City campuses, and seminars with the same title have the same program. **All seminars commence at 6.30pm. Exact venue details are available on registration at [Inside Monash Seminars](#)**

News from Swinburne University

New Majors in the Bachelor of Design

The design courses at Swinburne invite students to harness their imagination and participate in the innovative design thinking that will define the 21st century. A *new major* being offered within the Bachelor of Design, is [UX Interaction Design](#). Swinburne acknowledges that in today's digital world, user experience is key, and that it can make or break a website and directly impact business success. With this in mind, it now offers UX Design. Such a specialisation could lead to a future in digital marketing, mobile app development, information technology and much more.

Design Factory Melbourne

[Design Factory Melbourne](#) (formerly known as the Swinburne Design Factory) is part of the Global Design Factory Network – a global network of universities offering innovative education, research, and partnerships.

This network brings together students, industry, and researchers to co-create for extraordinary results. The aim is to turn ideas into reality.

All Design Factory Melbourne interdisciplinary industry projects are organised around a project partner. Partners can be an organisation of any size or type, ranging from corporate to government to not-for-profit. Past project sponsors include CSIRO, Visy, Kmart Australia, Anex, ISM Interiors, Involve Audio, Purplemonky, Philips, Biolan, MetsäWood and Coles.

(Find out more about the Design Factory at [Design Factory Melbourne](#))

New Majors in the Bachelor of Business

Two *new* majors being offered within the [Bachelor of Business](#) are –

[Accounting and Financial Planning](#) – this major invites student to dive into finance on large- and small-scale arenas – preparing them for a varied career in the economics industry. Students will cover a range of study areas, including both commercial and personal accounting, along with the theoretical components of business, finance, and commerce law. Most importantly, the Accounting and Financial Planning major meets the educational requirements of the Financial Planning Association of Australia (FPA), as well as being accredited by Chartered Accountants Australia and New Zealand (CAANZ), and CPA Australia.

[Financial Planning](#) – this major allows students to learn in-depth skills in financial planning – giving them the knowledge to help others through economics. Students will cover a range of finance topics that everyday citizens need help with – including financial management, taxation, ethics, retirement planning, investments, and even financial risk.

The Financial Planning major meets the educational requirements of the Financial Planning Association of Australia (FPA), ensuring students learn the skills needed to enter the financial planning industry with confidence.

Aviation at Swinburne

Working in air transport means viewing the world from a whole new perspective. Swinburne University offers courses in **aviation management** as well as **professional piloting**. Over and above these two courses, Swinburne also offers the **Qantas Future Pilot Program** and **Jetstar cadet pilot training**. Find out more at [Aviation at Swinburne](#)

News from Deakin University

Deakin Step on Campus

Students can find out more about university life, study areas and what it's really like to be a student at Deakin! During these upcoming school holidays, Deakin will be running its **Deakin Step on Campus** event. Students will have a personalised tour of the campus with a current Deakin student, as well as learn more about Deakin's study areas, campus life and how to make the best transition into university.

Where: Melbourne Burwood, Geelong Waurm Ponds, Geelong Waterfront and Warrnambool campuses

Dates: Melbourne Burwood Campus, Thursday 5 & 12 April 2018
Geelong Waurm Ponds Campus, Friday 6 & 13 April 2018
Geelong Waterfront Campus, Wednesday 11 April 2018
Warrnambool Campus, Wednesday 11 April 2018

Times: 10:00am & 12:00pm (Daily)

Register for one or more tours at [Step on Campus](#)

Health Information Sessions at Deakin

According to recent 2017 Industry Employment Projections, the Health Industry is Australia's fastest growing employment industry. Over the next few months, the Faculty of Health will host a range of **Information Sessions**, where students can hear more Deakin health degrees, the opportunities Deakin students have for placements, study tours, online resources, and access to world-class facilities. **Registrations open soon at** [Deakin Health Events](#)

Bachelor of Nutrition Science at Deakin

The **Bachelor of Nutrition Science** offers a *new* major sequence - [Food Innovation](#) – which focuses on the innovative design of healthy foods to meet consumer wants which provides key knowledge and skills for employment as a food scientist in the food industry. Students may gain employment in food regulation, food safety and Quality, food product development and sensory analysis. The Bachelor of Nutrition Science course can be used as a pathway into the [Master of Dietetics](#).

The **VCE prerequisites** are Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.

Subject bonuses: A study score of 35 in Biology, any English, Food and Technology or Health and Human Development equals 3 aggregate points per study. A study score of 30 in Chemistry, Maths: Mathematical Methods (any) or Maths: Specialist Mathematics equals 3 aggregate points per study. A study score of 30 in Biology, any English, Food and Technology or Health and Human Development equals 2 aggregate points per study. A study score of 20 in Chemistry, Maths: Mathematical Methods (any) or Maths: Specialist Mathematics equals 2 aggregate points per study. Overall maximum of 12 points. **Find out more at** [Bachelor of Nutrition Science](#)

A Day in the Life of a Fashion Illustrator

During these upcoming school holidays, Box Hill Institute will be hosting ***A Day in the Life of a Fashion Illustrator and Developing Your Fashion Portfolio***. This hands on 1-day workshop will provide students with the opportunity to experience life as a fashion illustrator and develop skills to present their creative ideas for their portfolio.

Date: Wednesday 11 April 2018

Time: 9.30am – 3.00pm

Venue: Box Hill Institute - Nelson Campus, 853 Maroondah Highway in Box Hill

Tickets cost \$75 and students must register at [A Day in the Life of a Fashion Illustrator](#)

Land Surveying Workshop 12th April

If you are interested in a career as a land surveyor, this special one hour event will give you an insight into the industry. You'll get the opportunity to do some practical activities including setting up and using a surveying total station instrument.

You'll also get the chance to meet with staff who teach surveying at RMIT, receive all the information you need and ask any questions you have about a future career in land surveying. Learn more about a career in land surveying as well as the study options available at RMIT. **Register** at [Eventbrite](#).

Snapshot of RMIT University in 2018

- One of Australia's original educational institutions founded in 1887, RMIT University now has more than 83,000 students, including more than 12,000 at postgraduate level
- Based on the [QS World Rankings by Subject](#), RMIT ranks # 1 in Australia and #17 worldwide in Art & Design, and #6 in Australia in Business Studies, and Computer Science, and #13 for Accounting, Finance, Economics and Econometrics
- RMIT provides you with a range of education options, from an apprenticeship, traineeship or certificate, to an associate or bachelor degree, or a postgraduate degree by coursework or research - [RMIT - Levels of Study](#)
- RMIT is regarded as a world leader in Art and Design; Architecture and the Built Environment; Engineering; Computer Science; and Business and Management Studies.
- RMIT has a reputation for delivering innovative academic programs within stunning modern and historic buildings located in Melbourne's CBD. The [New Academic Street project](#) has transformed the heart of the RMIT City campus creating laneways, gardens, new student spaces and better library facilities.
- RMIT University offers programs of study in 23 schools across three academic colleges - [RMIT - Academic Colleges](#)
- RMIT has three Melbourne campuses, made up of vibrant student communities, modern learning and teaching facilities and open and informal social spaces - [RMIT Campuses](#)
- RMIT engagement with industry has always been central to RMIT's mission, and industry and enterprise is at the heart of every RMIT program - [RMIT and Industry](#)
- [Work Integrated Learning \(WIL\) at RMIT](#) makes up a significant component of a student's program, whereby they use their academic learning in a 'real life' situation with a real industry or community partner
- [RMIT Activator](#) is a unique experience designed by RMIT to connect students, staff and alumni to a network of transformative experiences all designed to help students, staff and alumni learn enterprise skills, innovate alongside industry and innovation experts and launch new businesses
- RMIT has a strong pathway program to courses providing students an opportunity to transfer from one RMIT program to another - [RMIT and Recognised Pathway Courses](#) and [Student Experience](#)
- RMIT offers students a world of [global opportunities](#) and adventure through exchange and study abroad opportunities. Students get to expand their horizons: immerse themselves in a different culture and experience the world through the eyes of others.
- Information about student accommodation options for Melbourne City campus students and visitors can be found at [RMIT Student Accommodation](#)
- RMIT makes sure its support services and networks help students to succeed at university and stay healthy and happy - [RMIT Support Services](#). [RMIT Connect is a great platform for students to access](#) these student services and support

Academy of Interactive Entertainment (AIE)

Industry Experience Day

AIE would like to invite year 10 - 12 students to our April 2018 [Industry Experience Day](#) on **Wednesday 11th April from 10am - 3pm.**

Their Industry Experience Days are a great opportunity to learn about the local and international game development, 3D animation and visual effects industries. They will get the opportunity to learn about the different pathways to get into the industry and will be able to get creative in practical workshops using industry-standard 3D animation and game development tools.

The sessions are run by industry professionals who have worked on some blockbuster games and films. Everything is provided for you to participate in the hands-on workshops and you will be using the same software that is used in the industry.

If your students are interested in this free event, they can register [here](#).

School Holiday Programs at AIE

Gotta Make 'em All

Make your own pocket monster! This course teaches you how to digitally model, texture, sculpt and paint your own pocket monster. You will even learn how to create a ball to store and carry your monster in. Animate, light and render your creation and learn to bring your pocket monster to life! See what goes on behind the scenes of Animation.

Game Programming in Unity

This course teaches students the fundamentals of programming for video games using the Unity3D game engine. Join in the excitement of programming your very own dungeon-crawler as we begin by building the inner workings of the game, then top it off with interesting game-play mechanics and visual effects to make your creation one-of-a-kind.

Come along for this exciting adventure into the world of games programming.

To book a place in one of the upcoming school holiday programs, please fill in [this form](#).

Holiday Program

AIE are running a series of holiday programs this term break. These programs run for 2 - 5 days where students learn industry software and are able to take home a project which they have created eg. a short game or film.

Their April Holiday courses are for 12 - 18 year olds and run from 9:30am - 4:30pm on the 12th & 13th April and cost \$260. To register visit: [April Holiday Programs!](#)

Experience Clever

Experience Clever at La Trobe is designed especially for Year 10, 11 and 12 students to get a taste of what it is like to be a university student for a day and get the inside scoop on what really happens after high school. Students may participate in interactive workshops of their choice, as well as lectures and seminars, and find out about student life. University students and staff will be there to help participants out and answer any questions that might arise. Experience Clever is a free event - with lunch and entertainment provided!

Date: Friday 6 April 2018

Time: 9.00am – 4.30pm

Venue: Melbourne Campus

Visit and register at [Experience Clever at La Trobe](#)

ASPIRE Seminar at BMG

Students from Years 9-12 are invited to attend the La Trobe University's 'ASPIRE' seminar on Monday 30th April at the Lecture Theatre from 1.00-1.30pm. The ASPIRE Program rewards students with a strong volunteer history to access developmental opportunities and also access to university courses in their final Year 12 year with a reduced ATAR (for most courses).

Register your attendance at to find out more: <https://goo.gl/forms/krR5nMqFPDpQn2II3>

Victorian Institute of Forensic Medicine

A Career in Forensic Medicine

The **Victorian Institute of Forensic Medicine (VIFM)** is hosting a ***Career Information Afternoon*** for students in Years 10 -12. It is aimed at providing an insight into the various career options in forensic sciences. Speakers include a ***forensic pathologist, forensic toxicologist, a mortuary technician, a physician from clinical forensic medicine, and a representative from the Donor Tissue bank of Victoria.*** The Institute usually only hosts two of these afternoons a year and interested students should register soon as places are limited.

When: Friday 13 April 2018

Time: 12.30pm – 4.00pm

Where: VIFM Lecture Theatre, Coronial Services Centre, 57-63 Kavanagh Street in Southbank

Registration: Complete the registration form found at [Career Information Afternoon](#) as soon as possible.

For more information, visit [Victorian Institute of Forensic Medicine \(VIFM\)](#) or call (03) 9684 4342.

ATAR Notes Free Lectures

ATAR NOTES are running free lectures during this term break. These lectures are designed to give students a unique insight into their VCE subjects, and equip them with optimal study skills. For more information and to register, visit: <https://www.eventbrite.com.au/o/atar-notes-vce-lectures-7836154781>

Keeper for a Day Holiday Program

Students might like to consider participating in the **Werribee Open Range Zoo Keeper for a Day** program taking place during these upcoming Easter holidays.

Heading behind-the-scenes, students will get a hands-on experience of what it is like to work as a zoo keeper, taking part in the many duties the keepers undertake on a daily basis, including animal enrichment and exhibit maintenance. Students will also get to see the animals up close, speak with the keepers about their jobs and experience, and head on a special safari tour across the savannah.

Bookings are essential and should be made by calling 1300 966 784. For more information about the Werribee Open Range Zoo's Keeper for a Day program visit [Werribee](#).

News from ACU

ACU University Experience dates for 2018

Attend a University Experience Day to sample life a typical 'day in the life' of an ACU Student. You can choose workshops from a range of ACU study areas, including nursing, midwifery, business, paramedicine, education, physiotherapy, psychology, public health, exercise science, theology and lots more!

Diarise the following dates in your diary and make sure to visit the ACU website closer to the date to register: Melbourne campus: 3 July and Ballarat campus: 5 July

ACU at the ACN Nursing & Health Expo

ACU's School of Nursing, Midwifery and Paramedicine is sponsoring the Australian College of Nursing (ACN) Nursing and Health Expo.

Check out the expo and drop by the ACU stand for an opportunity to speak with knowledgeable staff about career and study options.

- When:** Saturday 28 April 2018
Time: 8.30am – 1.30pm
Location: Melbourne Convention and Exhibition Centre, Exhibition Bays 1 & 2,
2 Clarendon Street, South Wharf
Cost: *Free entry*

Find out more at [ACN Nursing & Health Expo](#)

Community Achiever Program (CAP)

Thank you to Teagan and Rebecca from ACU who visited our school last Monday 26th April to discuss the CAP Program. If you missed the session, visit or review the new publications in the VCE study room, Careers Office or visit: [Community Achiever Program \(CAP\)](#).

Angliss Experiences - School Holiday Program

Spend a day out at Angliss, getting a taste of courses and careers in our speciality areas. A catered lunch will be provided on the day!

Both sessions will take place at William Angliss Institute, 555 La Trobe Street in Melbourne.

Date: Thursday 5 April 2018

Theme: Food Day - an opportunity to experience *cookery, patisserie and food science* workshops

Cost: \$15

Register at [Angliss Experience - Food](#)

Date: Wednesday 11 April 2018

Theme: Hospitality, Events & Tourism - students will experience elements of the *tourism, hospitality and events industries*, with workshops including event styling, beverage making, and flight attending

Cost: \$10

Register at [Angliss Experience - Hospitality, Events & Tourism](#)

SpotJobs

[SpotJobs.com](#) is Australia's fastest-growing online job board, focusing on permanent and flexible employment opportunities. Students looking for casual or part-time work are encouraged to spend some time searching this excellent resource.

Jobseekers can search and filter jobs by location and working conditions, including the time of day they would like to work and preferences such as working indoors or outdoors, or in a customer-facing role. For students, this means they can focus on study while learning new skills that will help build their careers for the future.

SpotJobs provides an easy-to-use platform that means no matter where you are, or what device you're using, it's simple to search, apply and get hired.

What can I do with an Arts Degree?

There is often the debate about the value of an Arts Degree and what kind of role an Arts graduate could find in industry. The list of roles is quite varied, and includes -

- Teaching & educational administration
- International aid and trade agencies
- Arts production and management
- Public service and social welfare agencies
- General management and administration (local and global)
- Communications industry, publishing, media and public relations
- Tourism and hospitality

One of the very important things for students to note, is that an Arts student learns skills that are very transferrable in industry. These include **communication skills, critical thinking and reading skills, analytical skills, and research skills** – browse [Career FAQs - What to do with your Arts Degree to learn more!](#)

Monash University recently shared this YouTube video about a [Career with a Bachelor of Arts](#).

Arts Degrees on offer in Victoria

Most universities in Victoria offer an Arts degree, and some of these are listed below. Students should note that the prerequisite VCE subject for most Arts degrees is only an English or EAL. For a comprehensive list of courses (including double-degree options) on offer at universities, visit [VTAC](#).

VICTORIA	Health Science	Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.	Biosciences, Health research, Indigenous health, Population health, Program evaluation, Project management.

Nutritionists and Dietitians

According to the Dietitian Association of Australia (DAA) - [Dietitian Association of Australia \(DAA\)](#), there is a distinction made between dietitians and other occupations in the nutrition and food science field, including that of nutritionist. The key difference between a dietitian and a nutritionist is that, in addition to or as part of their qualification in human nutrition, a dietitian has undertaken a course of study that included substantial theory and supervised and assessed professional practice in clinical nutrition, medical nutrition therapy and food service management. **So, in Australia, all dietitians are nutritionists however nutritionists without a dietetics qualification cannot take on the expert role of a dietitian.**

Victorian universities offering undergraduate courses in nutrition, food science and/or dietetics include:

UNIVERSITY	COURSE	VCE PREREQUISITE SUBJECTS	ATAR 2018
ACU (M) – Melbourne	Nutrition Science	Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.	58.75 (M)

Victoria (F) - Footscray	Human Nutrition	Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL; Units 3 and 4: a study score of at least 20 in one of Biology, Chemistry, Health And Human Development, any Mathematics or Physical Education.	n/a (F)

Students are encouraged to browse [VTAC](#) for a comprehensive list, including double degrees!

Courses in Cyber Security

Cyber Security is one of the most exciting and important areas of study in the discipline of Information Technology, with industry demand for graduates on the increase globally. Cyber Security professionals protect the data and systems of digital services people use for daily business and communication, and investigate, analyse, and provide solutions to computer crime.

Students keen on finding out more about studying to become Cyber Security professional, might like to browse the links below where courses, or majors, in Cyber Security are offered:

- [Cyber Security Courses at Box Hill Institute](#)
- [Cyber Security Courses at Deakin University](#)
- [Cyber Security at La Trobe University](#)
- [Cyber Security at Monash University](#)
- [Cyber Security at Swinburne University](#)

Chartered Accountants

Why accounting? Accounting can be regarded as the language of business. Accountants *analyse, report and give advice about the financial dealings of organisations and individuals, and advise on associated record-keeping and compliance requirements**. Chartered Accountants hold the highest professional qualifications available to accountants in Australia, and are valued for their commercial know-how, analytical thinking and leadership abilities. A career as a Chartered Accountant is a fantastic choice for those who want to:

- ✓ Earn good money
- ✓ Have the opportunity to travel and work overseas
- ✓ Have job security
- ✓ Enjoy a challenging, interesting and diverse career

Some of the potential roles for a Chartered Accountant include –

- Financial planner
- Forensic accountant
- Financial office
- Management accountant
- Tax specialist
- Stockbroker
- Business analyst
- Risk analyst
- Auditor

[The Good Universities Guide - Accounting](#) *

So, how does one become a Chartered Accountant?

Step 1: Choose an approved university *business or commerce or finance* degree

Step 2: Complete the degree with an *accounting major*

Step 3: Begin the Chartered Accountants Program - [Chartered Accountants Program](#)

Step 4: Complete the Chartered Accountants Program while accumulating three years of work experience with a Chartered Accountant mentor

Students wanting to be kept informed about career events, etc. run by the Institute of Chartered Accountants should regularly browse [Chartered Accountants](#)

Commerce Degrees in Victoria

Students will note that in many cases the majors offered in [commerce degrees](#) are similar to those offered in business degrees. One particular difference between a business degree and a commerce degree is often the [VCE maths prerequisite](#) requirement. **For a comprehensive list of all courses, their majors and double degrees on offer, visit [VTAC](#)**

INSTITUTION	COURSE NAME	VCE PREREQUISITES	MAJOR STUDIES	ATAR 2018

Careers in Marine Science

The [Good Universities Guide - Marine Scientist](#) states that a *marine scientist uses principles and techniques of natural sciences, mathematics and engineering to study the coastal zone and oceans: their movements, physical properties and biological organisms.*

Marine scientists assist in developing practical methods for weather forecasting, environmental assessment, locating and developing fishing and mining resources, and improving national defence. They may develop new technologies to protect the seas from pollution and the coasts from damage by waves and tides.

Marine scientists make use of special instruments, satellites, cameras, sounding devices and research vessels when undertaking ocean exploration work. They may also make underwater dives.

Marine Scientists also collaborate with [Good Universities - Marine Biologists](#), [Good Universities - Marine Engineers](#), and [Good Universities - Fisheries Officers](#)

Students considering studying marine science or biology, might like to consider learning more about the following bachelor courses offered in Victoria:

Deakin University - [Environmental Science \(Marine Biology\)](#)

Deakin University - [Zoology and Animal Science](#)

Deakin University - [Environmental Science \(Environmental Management & Sustainability\)](#)

University of Melbourne - [Science - Majoring in Marine Biology](#)

ADF Gap Year

ADF Gap Year applications for 2019 have opened. It's a unique opportunity for students to try out a career in Navy, Army or Air Force and get a feel for a military life without committing for a longer period.

Through an ADF Gap Year you will:

- Gain valuable skills and work experience
- Enjoy a great salary package plus free healthcare
- Live a varied, active and healthy lifestyle
- Make friends with like-minded people
- Get the opportunity to see more of Australia

In 2019 there are 14 roles to choose from ranging from admin to artillery and even flight crew, plus this year the Defence Force is offering 30 Army Officer roles but places are limited!

ADF Gap Year – Navy	Closes 9 April 2018
ADF Gap Year Army Combat Engineer	Closes 9 April 2018
ADF Gap Year Army Officer	Closes 23 April 2018
ADF Gap Year Army Artillery Operator	Closes 23 April 2018
ADF Gap Year Army Infantry Soldier	Closes 14 May 2018
ADF Gap Year Army Driver	Closes 21 May 2018
ADF Gap Year Army Administration Assistant	Closes 21 May 2018
ADF Gap Year Army Warehouse Assistant	Closes 21 May 2018
ADF Gap Year Army Air Defence Operator	Closes 21 May 2018
ADF Gap Year Air Force Cabin Crew	Closes 7 March 2018
ADF Gap Year Air Force Warehouse Storeperson	Closes 28 May 2018
ADF Gap Year Air Force Aviation Support Technician	Closes 28 May 2018
ADF Gap Year Air Force Airbase Protection and Security	Closes 4 June 2018
ADF Gap Year Air Force Administration Assistant	Closes 4 June 2018

Closing dates are driven by demand and may close sooner than listed.

Update from the Bond Business School

Under a *new* structure for undergraduate degrees, students will now be able to take any of the majors (6 subjects) available in the Bond Business School. For example, students can combine their Bachelor of International Hotel and Tourism Management with a major in Marketing, International Business or Entrepreneurship. Similarly, students might wish to access a Tourism Management major in a general business program. **Learn more by browsing [Bachelor of Business](#) or [Bachelor of International Hotel and Tourism Management](#).**

Build your own Brochure

Start building your own personalised Bond University brochure for yourself or for a friend.

Students can log on to [Build Bond Brochure](#), select up to three areas of interest, and follow the prompts.

Scholarships at Bond

Bond University offers an extensive *scholarship program* to both domestic and international students, with values ranging from 25% scholarships to 100%. It is important to note that applications for the 2019 Scholarship Program for Australian Year 12 students **open on 1 April 2018**, and close on **31 July 2018**.

Some of the scholarships on offer include:

Vice-Chancellor's Elite Scholarships

This 100% scholarship is available to all Year 12 students with an anticipated ATAR above 95.00; with demonstrated strong leadership skills, and extensive involvement in extra-curricular activities. Open to all undergraduate degrees excluding the Bond Medical Program.

The Padma and Hari Harilela Scholarships

Awarded to outstanding students from around the globe, looking to study at either undergraduate or postgraduate level. These scholarships open the door to applicants with strong achievements in both community involvement and contribution, and academia. Applicants must meet the prerequisites and the admissions entry standard for their chosen degree. Submission of a 500-word personal statement outlining the applicant's community involvement and contribution, as well as personal attributes and academic achievements. Awardees received a total of \$10,000 (domestic students) and \$15,000 (international students). Open to all undergraduate degrees excluding the Bond Medical Program.

Excellence Scholarships

Awarded to Year 12 students with an anticipated ATAR of over 91.00, demonstrating exceptional potential, strong leadership skills and extensive involvement in extra-curricular activities. The value of the scholarships is 50% of tuition fees for any single or combined degree (Bond Medical Program).

Indigenous Scholarships

These scholarships, valued up to 50% of tuition fees for any single undergraduate degree (excluding the Bond Medical Program) or 100% tuition for any diploma program, are awarded to Aboriginal or Torres Strait Islander students who have demonstrated extracurricular involvement, leadership potential and academic achievements.

ADCO Sports Excellence Scholarship

The ADCO Sports Excellence Scholarship celebrates this by awarding sporting scholarships to outstanding sports men and women from around Australia with the chance to help fund their tertiary studies. Valued at 50% of the cost of any single undergraduate degree or single postgraduate degree (excludes the Bond Medical Program, Doctor of Physiotherapy, Master of Psychology; Clinical and Forensic and Master of Creative Arts), as well as a \$10,000 cash bursary will be awarded per year of study for a maximum of 2 years.

Note: Year 12 students are able to apply for any of these scholarships until the closing date. Scholarship applications should be submitted online and applications open soon. Students should note that only one applications needs to be made, and students can apply for as many scholarships they are eligible for.

Visit [Bond University Scholarships](#) for a comprehensive list of scholarships, including other sport scholarships, and/or to apply!

Also visit [Bond Scholarship Application Tips](#) to read through useful tips on applying effectively.

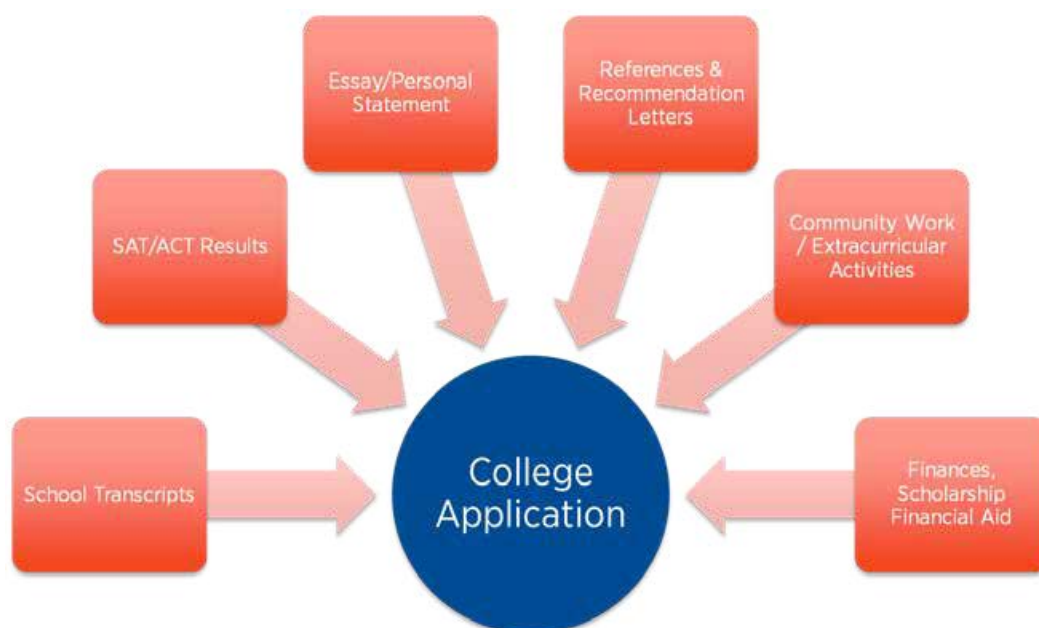

For further queries, email scholarships@bond.edu.au or phone 1800 074 074 toll-free (within Australia).

Student Athletes in the USA

Are you a competitive sports person who is aspiring to study overseas in the United States? Over the years, BMG has seen an increased amount of interest in studying at a US College. After attending an information session run by EducationUSA and The National Collegiate Athletic Association (NCAA) the on 14 March, I have decided to create a Careers Moodle page which showcases the most relevant information you need to know if you are planning on making an application to a US College.

Please note that it is highly recommended that if you intend on lodging an application to study in the US in your final Year 12 year than plenty of pre-planning and preparation will best assist your application.

The application system involves ensuring that the correct mix of studies are taken from Year 9 and onwards. This information is also useful for students in Years 7 & 8 who are planning ahead.

Core course requirements

To be eligible to play in Division I, the NCAA requires the completion of 16 core courses in Years 9-12:

- 4 years of English
- 3 years of maths
- 2 years of natural or physical science (including one year of lab science if offered by your school) (e.g. general science in years 9-10, chemistry, physics, biology in years 11-12)
- 1 extra year of English, maths or natural or physical science
- 2 years of social science (e.g. history, geography, economics, international relations, psychology)
- 4 years of extra core courses (from any category above, or foreign language, comparative religion or philosophy)

Australian subjects not recognized as NCAA core courses:

Information technology, physical education, health and human movement, business studies, accounting, graphics, performing/visual arts/drama/music, technology, English as a second language (ESL) and VET courses.

For more information, please enrol yourself in the Moodle page, 'Careers & Futures'.

Want to broaden your volunteer portfolio?

The target students:

This opportunity acts as a wonderful chance for any committed and hardworking **Year 9-12 students interested in developing career awareness in the fields of journalism, media & communication, sport journalism and advertising** or other areas to experience a thriving workplace environment consisting of **other volunteers**.

In particular, this would be a perfect opportunity for students completing **ANY Level of their Duke of Edinburgh Award**.

The Employer

Apple 98.5 FM – Bacchus Marsh Community Radio

About the volunteer roles

Successful applicants will assist the Primary and Secondary callers. Assistance may include back-up calling with IT-related matters, watching players or sections of the ground for the Primary caller to add 'colour' with special comments, and, possibly, some limited calling. Other duties may include assisting 'on the ground' person with reports from the huddle, interviews with coaches, officials, etc.

The benefit

Not only will you be able to exercise your initiative and develop your employability skills, but you would be eligible to apply for 'Early Entrance Offers programs such as:

1. La Trobe's ASPIRE program <http://www.latrobe.edu.au/study/aspire>
2. Australian Catholic University's Community Achiever's program http://www.acu.edu.au/study_at_acu/pathways_and_entry_schemes/year_12_student_entry/early_entry
3. Victoria University's Early Entrance Offer Program <https://www.vu.edu.au/study-at-vu/how-to-apply/special-admission-programs/early-entry-offer-program-eeop>

These universities recognise the value of your community involvement and reward successful applicants with a reduced ATAR to access popular university courses.

Duration

The successful applicants will take part in the 2018 Ballarat Football League Season which runs for 16 weeks plus finals.

- Three games will be covered from outside Bacchus Marsh
- Fifteen 'home and away' games being at Darley or Maddingley.

Hours:

1.00pm start, with broadcasting between 2:00pm to 5:00pm on Saturdays (for each match as the fixture currently stands). The season starts at Maddingley on 21st April, 2018.

How to apply

Students should prepare an email application (cover letter and resume) to:

Mr Bill Mansell

Secretary & Treasurer

Bacchus Marsh Community Radio Group Inc.

Apple 98.5 FM

info@apple985fm.com.au

Applications close at 5pm on Good Friday, 30th March 2018

Remember to use the skills you have learned from the Year 9/10 Leadership Program to produce your application!

If you have considered a career within legal/law field, then why not attend a 'Law Week' event from in May at various locations around Melbourne! For example, you can visit the County Court at its Open Day on Saturday 19th May for free. For more information visit: <https://www.everyday-law.org.au/law-week/whats-on-in-law-week-2018>
