Dear Senior Students,

This is the final *BMG Career Newsletter* for this year. I wish all students and their families a wonderful summer break - filled with many special times that are shared with friends and loved ones.

For the Year 12 Cohort of 2018, please remember that Edition 7 of the BMG Careers Newsletter contains a lot of information about pathways into different course and career options. I have left the key VTAC dates and Change of Preference information in this edition for quick access.

Kind regards,

Ms. Alice Wu-Tollis
Careers Practitioner

Career Counselling Services 2018-2019

On the **14th December 2018**, **VCE Students will receive their ATAR**. Upon receipt of their ATAR, students are strongly encouraged to attend information events run by various Universities, TAFE and private institutions held in the following week.

Students will have until **Wednesday 19th December (12pm noon)** to make changes their VTAC Preferences List. During the ATAR Release time and the 'Change of Preference' period, the school's Careers Practitioner, Mrs Alice Wu-Tollis will be available via mobile on: **0427 303 948** should students require more support.

VTAC Tertiary **Round One Offers** will be released on **Wednesday 16th January 2019**. If your child does not receive a course offer in Round One, then they are encouraged to evaluate their Course Preference List structure. To place themselves in the best position to be made a course offer in all rounds, students are encouraged to have pathway course preferences in the lower half of their lists.

Between offer rounds, tertiary institutions can be contacted directly for further advice about Change of Preference counselling. During this period it is important that access to the internet is available if course preference changes are required. If this is not possible, students should allocate a proxy who may act on their behalf. As these events fall within a non-school period, there is limited or no assistance available. Career Counselling support can be provided to past students in 2019 when the secondary school year commences.

Accessing VCE Results

VCE study scores, ATAR and VTAC Scaled Study Scores will be available to students via the Results and ATAR website and the Results and ATAR app in December -

<https://resultsandatar.vic.edu.au/results/applicants.htm>. Students will receive a statement of VCE study scores from the VCAA, and those who applied for courses through VTAC this year and have paid their VTAC processing fees will be sent an ATAR statement in the mail.

Students who wish to receive their results online, will need to register at <https://resultsandatar.vic.edu.au/results/an/students/register.htm> before results are released.

Registrations are already open and students are encouraged to register soon.

To register, students need their VCAA student number and will be requested to choose a secure password on registering. VTAC has produced a video explaining the registration process at:

<https://www.youtube.com/watch?v=0lf5BDLu6wE>

Pathways Programs to University in 2019

Remember, there are multiple ways to achieve course entry through 'pathway' courses, please consult edition #7 of the Careers Newsletter for more details.

Free Priority TAFE Courses in 2019

A reminder that the Victorian Government announced its [Free TAFE initiative](#) earlier this year. A [list of courses eligible for this program](#) from VTAC institutions is available on the VTAC website, with links to the CourseSearch entry for each course. Note that this list may be continually updated.

Tip: A direct application to the tertiary provider **in addition to the VTAC application** may increase your offer chances for a Priority TAFE course.

VTAC Email Details

2018, Year 12 students are reminded to update or include their contact email addresses through VTAC or email careers@bmg.vic.edu.au if they wish to continue receiving relevant career information over the results release date and offer rounds in 2019.

VCE Extension Studies in 2019

Applicants for the Deakin Accelerate program will receive an advisory email of the outcome of their application over the summer break (in January 2019). If successful in receiving an offer, students be sent an email with a letter of offer and enrolment information. Acceptance and enrolment is usually required within one week of receiving the offer. Once enrolled, students will then be invited to attend the Accelerate Orientation in late February, to prepare you for their university studies. BMG will also provide students with an academic mentor to assist in their tertiary studies.

News from Monash University

What happens if something occurs after the VTAC SEAS deadline?

In the case of a student experiencing educational disadvantage since the SEAS closing date which was in October, Year 12 students may apply for SEAS directly with Monash by completing the **Monash University Special Entry and Access Scheme** form. Students must provide their VTAC ID with their evidence, and send certified copies of all relevant documents to support their claim of disadvantage along with the form - [Monash University Direct Application Special Entry and Access Scheme](#)

Important Information for VCE International Students

International students undertaking an Australian Year 12 who are unable to meet the minimum 30 in EAL requirement are able to sit another English proficiency test.

The recommended English proficiency tests are:

| | |
|--|---|
| Pearson's Test of English (Academic)* | Overall score of 58 with no Communicative Skills lower than 50 |
| Academic IELTS | Overall band score of 6.5 with no band less than 6.0 |
| Internet Based TOEFL | Total score of 79 with 12 in Listening, 13 in Reading, 21 in Writing and 18 in Speaking |
| Paper Based TOEFL | Total score of 550 with 4.5 in Test of Written English |
| Cambridge English: Advanced (CAE) | Overall score of 176 with no band less than 169. |
| Cambridge English: Proficiency (CPE) | Overall score of 176 with no band less than 169. |

*If a student wishes to commence study in semester 1 2019, they should consider the Pearson's Test of English (Academic), as it allows for the quickest return of results (5-7 business days) - [Pearson Test](#)

Note: Some Monash undergraduate courses have higher English language requirements, therefore the EAL score and English proficiency test entry requirements may be higher.

Employment Opportunities

2019 VCE Summer School Programs

Access Education Summer School

The **Access Education Summer School** program is a unique opportunity for students studying Units 3 & 4 to experience university life while preparing for the demands of the VCE year ahead. The format of the program is that extensive and detailed 3 ¼ hour VCE preparation lectures will be given, and subject specific study notes prepared by the lecturer will also be made available.

Visit [Access Education Summer School](#) to find out more or to download a brochure for the 2019 program.

NEAP VCE Summer School

Get a head start on your VCE! The aims of the **Neap Summer Lectures** are to give students a head start on topics and concepts from the Units 3/4 course for each subject, and to revise key concepts from Units 1 and 2 that form an essential base for each subject.

Visit [NEAP Summer School](#) to find out more about the 2019 program.

The School for Excellence Summer School

The School for Excellence (TSFX) Summer School offers a comprehensive summer school program preparation, each lecture will thoroughly address Unit 1 or 3 materials in advance of school, and expose students to critical analytical/problem solving strategies and skills so as to maximise Unit 1 or 3 scores. Students attending the programs receive detailed notes, fully worked examples and exercises to complete at home. The lectures are prepared and delivered by qualified, currently practicing VCE teachers and markers from top ranking schools who possess the knowledge and experience to demonstrate the means by which students can achieve higher scores.

Visit [TSFX Summer School](#) to find out more about the 2019 program.

University of Melbourne Summer School VCE Lectures

VCE Summer School (VCESS) is a two-week tutoring program that takes place in January and aims to help high school students from disadvantaged backgrounds gain a head start on their final years of education. It is run by students for students, with a particular focus on creating a healthy study-life balance, helping to correct the disadvantage in the Victorian education system and providing tutoring on a wider range of subjects than any other academic service provider.

VCESS 2019 will take place from January 7th – 18th at the University of Melbourne’s Parkville campus.

[Apply now for VCESS 2019!](#) or contact (03) 8344 8204 or via email at summerschool@union.unimelb.edu.au for more information.

Useful Tips for Successful Interviews

Many candidates lose the job in the first minute of the interview by not thinking carefully about their initial impact. *John Lees* shares his expert interview tips.

1 Don't waste the opening moments

Many candidates lose the job in the first minute of the interview by not thinking carefully about their initial impact. Interviewers make a quick initial decision about your personality from the moment you arrive, based on how you look and sound. Dress as if you already work there and you've just been promoted. Make those initial seconds relaxed and upbeat as you can, even if you're just talking about your journey.

2 Don't over-deliver

Most candidates say too much. Interviewers are not that interested, and will usually accept a short, positive answer and move on. Practise compressing your evidence into good short stories no more than 3 minutes long setting out what problem you were handling, what you did, how you did it, and what the result was.

3 Don't act like a stranger

Leave your coat, umbrella and bag in reception. Just take in a slim folder into the interview room containing the documents you need, and you will look like an employee rather than a visitor.

4 Don't try to wing difficult questions

Don't duck predictable questions about your know-how and skill level – think carefully about good examples. Equally predictable questions cover things like strengths (talk about qualities that match the job) and weaknesses (talk about skills you are improving, and make it clear that you're a fast learner).

*John Lees has written a wide range of careers books. His 2013 titles are *Just The Job!*, his first systematic guide to job searching, and *Knockout CV*, a comprehensive guide to writing a winning CV.*

YHA Fact Sheet – Taking a GAP Year to Travel?

YHA Australia is part of the world's largest backpacker accommodation network and has a very useful **fact sheet** for students going travelling or on working holidays. Below are some interesting travel tips for graduating Year 12 students:

Top Travel Tips

- 1.** Want to earn money while you travel? Australia has working holiday agreements with many countries – see www.immi.gov.au - be aware that some visas must be applied for before you leave Australia though.
- 2.** Make sure your passport is valid for at least 6 months after you plan to return, and check entry requirements for countries you plan to visit e.g. tourist visas, US pre-authorisation.
- 3.** Visit the doctor at least 6 weeks before you leave to get vaccinations and prescription medication.
- 4.** Let your bank know you're going overseas so they don't cancel your card when they see an overseas transaction.
- 5.** If you can't afford travel insurance, you can't afford to travel!
- 6.** Register with www.smarttraveller.gov.au
- 7.** Always give a family member or friend a copy of your itinerary so they can contact you in an emergency.
- 8.** Book your first couple of nights' accommodation ahead for peace of mind when you get off the plane and have to find your way around a new city, a new country.
- 9.** Always aim to arrive in a new town during the daylight hours as it is more difficult to get your bearings at night.
- 10.** It can be cheaper to organise transport passes before you leave Australia, e.g. Busabout hop-on hop-off between major European Cities, Greyhound Canada/USA, Eurail train network.
- 11.** Pack lightly - you'll be surprised how little you can comfortably travel with, and roll clothes when packing.
- 12.** Sometimes the best plan is 'no plan'... don't be too locked into a pre-arranged schedule that you have no time for spontaneous experiences!
- 13.** Look at alternative low-cost options to communicate with home – email, SKYPE, Facebook, Facetime, WhatsApp, Viber, WeChat (on Wi-Fi or from an internet café), prepaid local or international SIM cards.
