2021 Maddingley Junior School Handbook

Prep to Year 4

WELCOME TO MADDINGLEY – PREP TO YEAR 4

On behalf of all the Junior School staff, I would like to welcome each family to the school community. Together we will work in partnership to guide your child through an important stage of their development.

In the Junior School, we foster a caring, safe and happy environment where the child's continuing desire to learn and grow is fostered and developed. Care and respect are mutual concerns for all members of the school community and these values are continuously developed.

In today's society, there is a tendency to overprotect and insulate our children for as long as they will allow us to do so. However, it is of no benefit to you or your child if you inhibit their personal growth and not allow them to develop into independent learners who are able to make mistakes and learn from the consequences.

Whilst parents are encouraged to participate in their child's education through involvement in a variety of activities and events, we also expect that parents allow their child to develop as an individual. With parental support and direction, children can learn to cope in a variety of environments and develop resilience which enables them to cope in the world in which we live.

Socially, the School provides new and wide ranging experiences for each child. By working together, sharing materials and fair play, each child is encouraged to develop essential social skills. In the Junior School years, we aim to develop independence and establish healthy routines and acceptable codes of discipline to carry each child through to the Middle and Senior school years.

You will find this handbook a valuable resource; however, we do not expect you to remember everything at once. Please ask questions because we are all here to help make your start in the Junior School a pleasant experience. We would like to encourage each family to foster the good communication that exists between families and the staff. Do not hesitate to contact your child's teacher, year level coordinator or myself if you have any matters that need discussion or clarification. Good communication is a valuable key to success. We look forward to meeting all new families and getting to know you to enable us to work in partnership through your child's education.

Mrs. Elizabeth O'Day
Senior Deputy Principal

VISION, KEY OBJECTIVES AND MISSION

Bacchus Marsh Grammar seeks to meet the desire of the community for an independent education that is comprehensive, challenging and enriching.

OUR VISION

Our Vision is to be a co-educational, ecumenical day school that provides quality co-education for students from the outer western area of Melbourne. We celebrate diversity and place strong emphasis on the fundamental need to respect and value others and to continuously develop.

At Bacchus Marsh Grammar we know that we all have different strengths that need to be developed and weaknesses that can be enhanced.

We actively encourage students to be involved in a broad range of curricular and co-curricular activities so they develop the “whole person”. We strongly emphasise “Education for Life” in all that we do to help prepare students for the world beyond school.

We foster a sense of openness, community responsibility, social conscience, acceptance and resilience.

Through our programs and pastoral care, we support and promote the principles and practice of Australian democracy. We are committed to supporting the elected government, the rule of law and equal rights before the law, freedom of religion, freedom of speech and association and the values of openness and tolerance.

KEY OBJECTIVES

Seven key objectives have been developed to ensure the consistent and consolidated growth of our School over the next five years.

These objectives are to:

- maintain an appropriate, long-term planning framework for the development of our School;
- maintain and develop enrolments and fundraising;
- further enrich the School’s programs including academic, co-curricular and personal development;
- ensure appropriate Information and Communications Technology capacity to support the School’s educational and administrative programs;
- continuously improve and develop our physical facilities and infrastructure;
- continue to adopt and maintain best practice in financial planning and procedures; and
- provide a working environment that attracts and maintains the highest quality of staff.

MISSION

Bacchus Marsh Grammar aspires to fulfill the community’s desire for independent co-education that is holistic in its approach, comprehensive, challenging and enriching.

Our School is committed to providing a safe and caring environment which, through its diverse programs, encourages students to be confident, self-aware, resilient, able to contribute to their personal growth, and willing to be active and positive members of society.

We encourage a strong sense of service in our students and the knowledge that inclusion and a willingness to assist others is vital in developing a positive character and a strong society.

Our School is proud of its rich culture of achievement which encourages students and staff to strive toward achieving their personal best.

GENERAL INFORMATION

UNIFORM REQUIREMENTS

The school colours are black, gold, white and blue. Wearing of the school uniform is compulsory for all students. Full school uniform must be worn correctly to and from school and on all formal occasions, including school assemblies.

Winter uniform is the Full School Uniform and may be worn at any time of the year but is compulsory for Terms 2 and 3. Students in Year Prep/Reception - Year 4 are required to wear their jumper to and from school when in winter uniform. In the case of any unseasonable weather, when the forecast is above 25°C, students may choose to wear their summer uniform on that day. During Term 1 and 4, summer uniform may be worn as an alternative to full school uniform.

When the forecast temperature is 25°C and above, the school jumper is not required to be worn. The reputation of the school is enhanced by the appearance of students in public and the pride with which the uniform is worn. Uniforms should be kept neat and tidy. School shoes (boots and sneakers not included) must be plain black and always be neat and polished.

All students who are not in correct uniform need to have a signed note in their school diary from a parent/guardian explaining the reason. A note shall not be regarded as sufficient explanation for continued variation to the uniform. Such students will be issued with a Breach of Uniform notice by their coordinator.

Students wear their sports uniform to and from school on their designated Physical Education day. Parents will be made aware of their child's Physical Education day at the beginning of the school year. Please note that it is preferred that the sports runners predominately reflect school colours of black, gold, white and blue.

Uniform and jewellery requirements are detailed in the school diary. Please refer to this for any information relating to uniform.

All school uniform items must include the school logo shown below.

Items marked with ## constitute core uniform items for a student of any gender.

UNIFORM REQUIREMENTS –SPORT / PHYSICAL EDUCATION

SPORTS UNIFORM ##

- BMG track suit pants.
- Rugby top with BMG logo or BMG half zip jumper (Prep to Year 4) or BMG full zip jacket (Years 5 to 12).

Saturday: 9:00am to 1:00pm

REPORTS AND PARENT/TEACHER INTERVIEWS

Detailed written reports are issued twice a year, in June and December. These reports evaluate each student in a comprehensive manner in all curriculum areas.

Parent/Teacher Interviews are conducted in first and third term. Further information, including dates and times will be shared with parents in the new school year.

Parents should always feel free to communicate any concerns regarding the progress of their child at any given time. It is advisable to give prior notice to teachers if an interview is requested as staff members are frequently involved in meetings after school. Please note that first thing in the morning is not an appropriate time to see teachers with issues or concerns unless prior arrangements have been made directly with the teacher involved. Matters of urgent concern should be directed to the Head of Junior School.

STUDENT ABSENCES AND LATENESS

Parents are asked to telephone and leave a message on the Student Absentee line, on 5366 4888, if their child is sick or will be absent from school. Parents in the Junior School will be contacted after three days of absence if notification is not received. Please supply your child's class teacher with a written note explaining any absence once your child returns to school. Students who arrive late to school must personally report to Reception or the Gatehouse to obtain a late pass before going to class. Students who are collected early during the school day must be signed out at Reception or the Gatehouse before leaving for the day. Parents should not collect their child directly from the classroom.

STUDENT DIARIES

The school diary is used by all students and is each student's main organisational tool and mode of communication between home and school. Each day the diaries are checked and initialled by the teacher to ensure that any notes or messages you want to convey to us are read. Students need to be encouraged to notify teachers if parents have used the diary to communicate with the teacher. Similarly, we expect that parents check and initial the diary daily so we know you are not missing out on correspondence. Teachers will write notes in diaries and attach letters and important notes. The diary is carried to and from school in the reader bag.

Please read your child's diary for the following:

- Information about Bacchus Marsh Grammar, including school policies, rules and responsibilities
- Uniform regulations
- Your child's class timetable
- Daily homework tasks
- Communication in the form of letters from school and notes from staff

If the diary is lost, the student must purchase a new school diary from the Main Administration office immediately.

HOMEWORK

Students are expected to complete a set amount of homework each night. Even from the early school years, it is important to develop good habits in regards to homework.

The amount of time set aside for homework varies with the age of your child. Throughout the Junior School years it is important to your child's development that reading forms a significant component of homework expectations each night, including weekend reading.

Starting in Semester 2, Year Prep Reception students are expected to spend time reading each day and learning weekly word lists.

Year Prep students are expected to spend time reading each day and learning the Magic 100 Words. During Semester 1, they will also have Mathematics homework and, in Semester 2, this will change to sentence writing. On occasions, other work may be set to complete over a specified period of time.

Year 1 and Year 2 students are expected to spend approximately ten to fifteen minutes reading each night, as well as practising the spelling of weekly spelling words. Throughout the week, Numeracy and Literacy homework will be provided. In most cases, set homework is linked to the subjects being studied during the school week in order to support and consolidate the learning taking place in the classroom. If homework is incomplete on a regular basis, without parental notification, the classroom teacher will contact parents to discuss this situation.

Year 3 and Year 4 students are expected to spend thirty minutes on set homework each night, Monday through Thursday. Additionally they are required to read for at least ten minutes per day, including weekends where possible. Class teachers will notify parents of the specific subject areas to be covered each night; however, reading, spelling and times tables are expected to be completed on a nightly basis. Reading is a very important aspect of homework at this level and it is expected that students record their reading in the Reading Reflection Journal provided.

- If homework is incomplete and without parent notification, the student's school diary will be stamped.
- Students will be asked to complete their homework during recess or lunch.
- If the diary is stamped five times in one term, the student will receive a homework detention with their Year Level Coordinator.
- If a student receives three homework detentions, they will be sent to the Head of Junior School.

If a student consistently has issues with homework, a parent meeting will be required to establish work routines to enable the child to more effectively meet requirements.

CHROMEBOOKS

All students in Year Prep to Year 4 have access to Chromebooks. The Chromebooks are stored at school and students are not able to take these home.

A CHILD SAFE SCHOOL

Bacchus Marsh Grammar is committed to the protection of all children from all forms of child abuse and demonstrates this commitment through the implementation of a comprehensive Child Safe Program designed to keep children safe. This program is endorsed by the Schools' governing body. We are clear about our behavioural expectations of every person in our community.

At Bacchus Marsh Grammar, we have a zero tolerance of child abuse and are committed to acting in a child's best interest and in keeping them safe from harm. The School regards its child protection responsibilities with the utmost importance and as such, is committed to providing the necessary resources to ensure compliance with all relevant child protection laws and regulations and maintain a child safe culture that:

- has zero tolerance of child abuse;
- actively works to listen to and empower children;
- has systems to protect children from abuse, and will take all allegations and concerns very seriously and respond to them consistently in line with the School's policies and procedures;
- is committed to promoting physical, emotional and cultural safety for all children and
- is committed to providing a safe environment for all children.

More information and a copy of the Child Protection Program Handbook can be found on the school's website.

PARENTAL INVOLVEMENT

Within the Junior School, parents are encouraged to become involved in their child's learning. This can be achieved in a variety of ways to suit the age of your child. Parents who wish to be involved must do the following, prior to engaging in volunteer work at the School:

1. Complete the Parent Helper Expression of Interest form at the beginning of the year.
2. Read the Child Protection Program Handbook and Child Safe Standards Toolkit that is provided after submitting the expression of interest form.
3. Complete the Child Protection Program Code of Conduct Acknowledgement Form and any other required forms in the information pack, and return it to the office.
4. Have a current Working with Children Check and list Bacchus Marsh Grammar as an organisation in MyCheck.
5. Provide the office with a copy of their Working with Children Check.
6. Show the classroom teacher their Working with Children Check each time they engage in volunteer work at the school. It is important that parents ensure they carry this card on them when involved in volunteer duties.

It is the parents/guardians responsibility to inform the school as soon as practicable of any court orders or pending child safety related matters that would cause your Working with Children Check clearance to be revoked.

At school, parents can help by:

- Hearing reading
- Supervising mathematical related activities
- Revising sounds with individuals or small groups
- Assisting with art and craft
- Utilising skills as a guest speaker
- Assisting at sporting events

At home, parents can help by:

- Encouraging an interest in books by reading to and listening to your child daily
- Assisting in the learning of weekly spelling words
- Providing direction and encouragement with homework to enable the development of independence as your child grows

There is an expected level of confidentiality that must be adhered to at all times when assisting children. If you believe there is a matter to be attended to with a particular child's reading then the appropriate person to inform is the child's class teacher. It is never appropriate to discuss a child's progress amongst the parent body whilst dropping off or waiting to collect children at the end of the day.

BUS TRAVEL

The school has an extensive bus network servicing Ballan, Greendale, Bacchus Marsh, Melton, Eynesbury, Woodlea, Balliang, Bullengarook, Hopetoun Park, Werribee, Hoppers Crossing, Point Cook, Caroline Springs, Taylors Hill, Watergardens, Cairnlea, Sunbury and Gisborne. Senior students are given the responsibility of ensuring that the bus journey is a pleasant one for the students. This responsibility is taken very seriously. Year Prep/Reception students are supported through the school Peer Support Program. One of the Junior School teacher's aides collects Prep and Year One students at the end of the school day and ensures that they are on their bus prior to the Senior School dismissal bell at 3.10pm. From Term 3, Year One students independently make their way to the bus turnaround. If you would like any further information on how the bus network is managed, please contact the School Bus Service Administrator on 5366 4800.

Student Bus Travel Code of Conduct

The purpose of this code is to ensure safe and comfortable travel for all.

This Code is applicable to all students (Primary and Secondary) who travel to and/or from school on a designated school bus.

At all times while travelling by school bus, students must abide by the following rules and conduct requirements. All students **must**;

1. **Behave** in a safe, responsible and respectful manner – ensuring that behaviours and noise levels are not uncomfortable to other passengers.
2. **At all times** remain **properly** seated while bus is in motion.

3. **Not** take photos of other students, drivers or aspects of the bus during operation.
4. **Not** eat food (including chewing gum) or consume drinks (other than water) on the bus.
5. **Not** sit on armrests, kneel or place feet on the seats.
6. **Not** draw on, damage or deface any article in or on the bus.
7. **Not** use offensive or indecent language.
8. **Not** throw any article in or from the bus.
9. **Not** spit or fight.
10. **Not** distract the driver while the bus is in motion, unless there is a serious reason to do so such as requesting a stop or an emergency situation.
11. **Not** make inappropriate and/or rude gestures to pedestrians and/or the general public.
12. **Not** yell at or out to pedestrians and/or the general public.
13. **Not** behave whilst waiting for a bus in a way that brings discredit to the school.
14. **All** students must travel on the bus service to which they have been allocated.
15. **Behave** in a way that respects the rights of residents who are in the vicinity of school bus stops.
16. **Wear seat belts** where fitted **at all times**.
17. Students must carry their Student ID cards at all times to tap on/off the bus.
18. Disembark at their designated stop as advised on Roll Call.
19. Abide by Bacchus Marsh Grammar Rules and Regulations, particularly those related to behaviour and appearance.
20. Parents are required to take their child's temperature prior to boarding the bus in the AM

Note: - These requirements are mandatory for the safety and comfort of all students while travelling to and from school.

NORMALLY:

NON-COMPLIANCE WITH ANY OF THE ABOVE RULES WILL RESULT IN THE FOLLOWING;

First offence – verbal warning to student.

Second offence – written warning to parent/guardian.

Third offence – one week suspension of student from school bus travel.

Fourth offence – the student will not be allowed to travel on the school bus for the remainder of the year.

Note:

If the incident or incidents are deemed by the Principal to be of a more serious nature, withdrawal of travel rights will occur immediately.

Normal School sanctions, i.e. detentions, suspension, etc., will also apply to any/all bus incidents

Safety:

Students are reminded not to cross the road in front of or directly behind the bus after alighting at the bus stop.

Students should wait until the bus has cleared the stop and have clear vision in both directions before crossing.

The initial response to any misbehaviour is for the incident/s to be reported to the school. Upon prompt investigation of the incident, students will receive appropriate disciplinary action and parents notified.

Parents are also requested to pay particular attention to where they park and issues of safety when dropping off and collecting children. Parents are also asked to be mindful that many bus stops are in residential areas and they have a responsibility to be mindful of the amenity of residences close to bus stops.

Is it not appropriate for parents to confront students or parents regarding issues or concerns. All issues of such nature should be reported to the relevant Deputy Principal.

Safety tips for Bus Travel

Children should learn to:

- Stand a safe distance back from the curb when waiting for a bus.
- When waiting for the bus it is important not to push or crowd forward as the vehicle comes to a stop, as people may trip or be pushed in front of or into the approaching vehicle.
- Move towards the bus only when it has stopped and the doors have opened.
- Stay in the same seat with bags under their seat when on the bus.
- Follow the instructions of the driver.
- Sit quietly on the bus and not distract the bus driver.

- Sit quietly and not engage in behaviour that will disturb and attract the attention of other passengers.
- Not harass other passengers.
- Keep all body parts inside the bus.
- Only move from the seat when the bus has stopped.
- Once off the bus, if students need to cross the road, wait for the bus to leave and only cross when it is safe.

Parents should:

- Drop off or wait for their child on the same side of the road as the bus stop.
- Park away from the designated bus stop area.
- Parents are not to approach students, other parents or the bus driver.
- Parents are to communicate change of stops or other communication to Bacchus Marsh Grammar only, not the Bus driver.
- Under no circumstances are parents to board the bus.
- All enquiries, concerns or issues are to be reported to the School Bus Service Administrator - Mrs Leanne Robertson by calling 5366.4800 or via email at bus@bmg.vic.edu.au. if their child has complained about the behaviour of other students or if they have a query about their child's behaviour.

THE CANTEEN

The Canteen is open daily at recess and lunchtime. It is highly recommended that students have only a limited amount of money to spend at the canteen. Emergency lunches are available, to be paid through the Qkr! By MasterCard App.

Menus

Menus and Online Ordering (Qkr! by MasterCard App) information can be found on the school website.

- Online/Lunch Order Menu
- Over the Counter Purchases - Junior School

Gluten Free - Please note that gluten free options are available to order online and over the counter.

Junior School Lunch Ordering Procedure

Lunches can be ordered online through the Qkr! app, or by writing an order on a plain bag, with correct cash inside. Each Junior School Class has a lunch basket in their classroom in which students place their completed lunch orders. Junior classes send baskets with Canteen Monitors to the canteen by 9.30am daily. Lunch orders are filled and then placed back into these baskets for collection from the canteen counter by Canteen Monitors prior to lunch.

All written orders must include:

- Student Name
- Tutor Group
- Items Ordered
- Amount of Cash Included in bag

THE HOUSE SYSTEM

Each student is a member of one of four Houses. These are:

- Pentland Panthers House (black)
- Bacchus Broncos House (blue)
- Braeside Bears House (white)
- Hilton Hornets House (gold)

Family members all belong to the same House. Houses are involved in various school activities and competitions under the leadership of senior students within the House.

PHYSICAL EDUCATION / SPORT AWARDS

Junior School Age Group Champion Criteria

Students in Year 3 and 4 may compete in two individual races and one relay. Strong athletes should compete in their correct age group and their strongest events to ensure they have the best opportunity to gain Age Group Champion. Should students compete in more events than two individual races, only their nominated events will count towards Age Group Champion.

On the day, if students are already competing in two events and then fill in for other students, only the events they were nominated for prior to the day will count toward Age Group Champion. Age Group Champion points will be awarded according to fastest times, not necessarily finishing place if there is an "A" and a "B" section.

The age group in which students compete in is determined by the age they turn during that year (i.e. if a student turns 10 during the school year, they compete in the 10 year old age group).

STAUGHTON VALE CAMPUS AND PROGRAM

Based 20 minutes away from the Maddingley Campus and located on the fringe of the Brisbane Ranges National Park is a purpose built facility called the Staughton Vale Campus. Situated on over 200 undulating acres of fertile pastures, orchards, dams and natural forest, this campus is used to enhance the learning experiences of all students. It will also heightens their relationship and understanding of their own impact on their local natural environment and their wider role as a global environmental citizen.

Program

All classes from Year Prep/Reception to Year 12 will access the Staughton Vale Campus for a variety of excursions and learning activities throughout their educational journey.

Curriculum

The program is an exciting initiative of the School utilised to enhance and benefit the learning outcomes of students. The program will also aims to develop the key transdisciplinary skills of thinking, social interaction, communication and research. At the Campus, students are immersed in rich learning experiences that are integrated and support the curriculum taught at their respective year levels.

The focus of the program is to:

- Integrate key curriculum skills and practical application elements of the subject areas of integrated studies, Science, History and Geography within a farming and environmental context,
- Incorporate key thinking skills and practical elements to enhance the learning experiences in curriculum areas that include The Arts and Physical Education.
- Promote and instil the character based skills of respect, resilience and perseverance through the design and implementation of unique learning experiences.

OUTSIDE SCHOOL HOURS CARE PROGRAM

Ballarat YMCA proudly provides Outside School Hours Care programs for students attending Bacchus Marsh Grammar. OSHC is available to students from Prep to Year 6. Visit the [school website](#) for more information.

CO-CURRICULAR ACTIVITIES

A booklet outlining a comprehensive range of co-curricular activities will be distributed in Term 1. The additional classes offered will range from enrichment and support in various curriculum areas, to stimulating and fun activities in a broad range of specialist subjects that are available to Junior School students. In some cases the curriculum is designed to cater for specific needs and, as such, participation is based on teacher selection. There will be a diverse range of activities for students to choose from for both lunchtime and after school activity sessions.

MUSIC

INSTRUMENTAL MUSIC LESSONS

Music has the capacity to engage, inspire and enrich all students, exciting the imagination and encouraging students to reach their creative and expressive potential. Music learning can have a significant impact on the cognitive, affective, motor, social and personal competencies of students.

Students are encouraged to learn a musical instrument. These lessons are available during the school day and tuition fees are in addition to the school fees. Before- and after-school lessons are available however, are subject to availability and in negotiation with the instrumental teacher. The Music Handbook/Enrolment form is available on the Bacchus Marsh Grammar website at www.bmg.vic.edu.au Please refer to the 2021 Business Notice for all fees and charges associated with the Instrumental Music Program.

PREP TO YEAR 2 CHOIR

The Junior School provides the opportunity for involvement in choral groups for students from Prep to Year 4 as co-curricular options. Students meet weekly to experience the joy of singing music as part of a large ensemble and perform at a variety of events during the course of the school year. Please note that this co-curricular option commences in Term Two, once students have had the opportunity to settle into school life.

YEARS 3 to 4 CHOIR

The Junior School provides opportunity for involvement in choral groups for students from Prep to Year 4 as co-curricular options. Students meet weekly to experience the joy of singing music as part of a large ensemble and perform at a variety of events during the course of the school year. The Years 3 - 4 Choir also collaborates with the Middle School Choir and Senior Vocal Ensemble, allowing younger students to both work with and form meaningful relationships with older students and Junior School leaders.

JUNIOR STRINGS

Junior Strings is open to Junior School students of all year levels who play one of the following instruments:

- Violin
- Viola
- Cello
- Double Bass

This Suzuki-based program is excellent for developing aural skills in young musicians and is directed by Mrs Leggieri, Mr Wrzaszcz & Mrs Arancibia. Suzuki Strings perform at a variety of events throughout the school year including the Instrumental Concert Series and large assemblies.

JUNIOR ORCHESTRA

Junior Orchestra is available to Years 2-6 students who play an orchestral instrument. The Junior Orchestra covers a range of traditional & contemporary repertoire and performs at a variety of events throughout the school year. Students are encouraged to continue instrumental lessons for the duration of their participation in this ensemble, in order to maximise both their development and overall enjoyment within the group.

HEALTH CENTRE

The Health Centre is staffed by Registered Nurses between 8.00am to 5.30pm Monday to Friday.

If your child attends the Health Centre you will receive an SMS informing you of their attendance and the reason for their attendance. If your child needs to be collected due to illness or injury the Health Centre staff will contact you by phone.

Any updates to your child's medical information must be updated via the myBMG Parent Portal. If your child has significant medical issues, please contact the Health Centre to discuss further.

NUTS AND NUT PRODUCTS

At Bacchus Marsh Grammar, we have a growing number of students who have been identified with anaphylaxis, a severe allergic reaction particularly to nuts and nut products. In the interest of the safety of all students in our school, it is important to note that we are a nut aware school. Please refrain from bringing food containing nuts and nut products as we have a Risk Management Plan in place to provide a safe environment for the students and staff with allergic and Anaphylaxis conditions to these products.

BIRTHDAYS AND CLASS PARTIES

Due to the number of students with allergies, we do not allow students to share food. Class parties are conducted in a controlled environment where students may eat their own lunch with their school buddy. Children often like to bring something to share with their friends/class to celebrate their birthday. Chupa Chups are recommended as children are able to safely have these. If you bring cakes, cupcakes are the easiest for distribution but they must be accompanied with an ingredients list. Your cooperation with this matter is appreciated.

PETS AND SCHOOL

Due to the growing number of students who have been identified with allergies to animals, students are not permitted to bring animals to school for Show and Tell. Staff will organise animals to be brought to school in a safe manner if they are required for demonstration in a particular curriculum area.

READING REFLECTION JOURNAL

Students in Years Prep to Year 4 are required to read each night as part of the school's homework expectations. A Junior School Reading Journal has been developed, providing students with the opportunity to reflect on their reading as well as enabling each student to practise goals in relation to Reading Behaviours and Comprehension Skills that they set each fortnight, in conference with their class teacher. Students are also able to develop their own questions: Literal, Inferential and Critical Evaluative, in relation to their reading to develop a deeper understanding of the text whilst enhancing their understanding of the three levels of comprehension

The students will be required to bring their Reading Journal to school each day to allow their teachers to monitor their reading and reflection progress as part of the daily homework routine. The goals developed by the students and teachers will align with the comprehensive Fountas & Pinnell Reading Assessment.

FOUNTAS & PINNELL

Bacchus Marsh Grammar uses the comprehensive Fountas & Pinnell Benchmark Assessment System, as a tool for assessing Reading Behaviours and Comprehension Skills. This benchmark system provides teachers with knowledge of their student's reading and comprehension abilities, enabling them to match appropriate levels of books for both instructional and independent reading. This assessment also gives the teachers insight regarding the skills and strategies needed to teach individual students to become proficient readers. Each student's progress will be monitored through on-going assessment to ensure continued progression, or intervention, if needed.

FUN AND EFFECTIVE WAYS TO READ WITH YOUR CHILD

1. Choose a quiet time

Set aside a quiet time with no distractions. Ten to fifteen minutes is usually long enough.

2. Make reading enjoyable

Sit with your child and say how much you enjoy reading together. Talk about 'story time' as being the favourite part of the day. Try not to pressure your child if he or she is reluctant. If your child loses interest then do something else and finish the reader later.

3. Maintain the flow

When your child mispronounces a word do not interrupt immediately to allow for self-correction. If they do not self-correct, reread what your child has read and ask "Does that make sense?" and discuss. If your child encounters an uncommon or difficult word, it is better to tell them the word to maintain the flow rather than insist they sound it out. If your child does try to 'sound out' words, encourage the use of letter sounds rather than 'alphabet names'

4. Be Positive

If your child attempts an unknown word, praise your child's effort! Don't say "No. That's wrong", but try something like 'Let's read it together' and point to the words as you say them. Boost your child's confidence with constant praise for even the smallest achievement.

5. Success is the key

Parents anxious for a child to progress can mistakenly give a child a book that is too difficult. This can have the opposite effect on your child's reading progress. Until your child has built up his or her confidence, it is better to keep to easier books. Struggling with a book with many unknown words is pointless. Fluency, phrasing and expression are lost, text cannot be understood and children can easily become reluctant readers. Don't compare your child's performance with that of friends or relatives as every child progresses at their own rate.

6. Visit the library

Surround your child with books. Try to have books in your home for your child to read. Books can be expensive but they can be the treat instead of an 'ice-cream'. If he or she likes a book, find another book with a similar subject or by the same author. Use the local library and librarian, as they are marvellous resources.

7. Regular practice

Try to read with your child on most school days. 'Little and often' is best. Read the same book for multiple nights. This will give your child the opportunity to practise fluent, phrased and expressive reading. Once your child can read, have him or her read aloud to you every day and take turns. Your child will be given a book from school to read; however, keep your own book supply because children need a wide exposure.

8. Communicate

Your child will receive a Reading Reflection Journal from school. Try to communicate regularly with positive comments and any concerns. Your child will then know that you are interested in their progress and that you value reading. When reading books, help your child make connections between what he or she reads in books and what happens in life. If you're reading a book about a family, for example, talk about how what happens in the story is the same or different from what happens in your family.

9. Talk about the books

There is more to being a good reader than just being able to read the words accurately. Just as important is being able to understand what has been read. Always talk to your child about what the book might be about before you read it. Look at the pictures, the cover and the title. Ask "What do you think this story is about?" Go through the book page by page and talk about the picture and the words or ideas that might be in the book. After reading the book, ask questions. You will be able to see how well they have understood the story and you will help them to develop good comprehension skills.

10. Variety is important

Children need to experience a variety of reading materials like picture books, comics, magazines, poems, newspapers, diaries, atlases, maps, instructions, recipes and letters.

Year Prep Reception Highlights

Curriculum Overview

In Prep Reception, students are exposed to areas of the curriculum such as Literacy, Numeracy, Integrated Studies, Art, Physical Education, Music Performance and Information Technology. In Literacy, students explore different graphemes and phonemes through the Sound Waves Program and they are introduced to simple reading and writing activities. In Numeracy, students develop their knowledge of numbers between one and twenty through oral counting, ordinal number and simple addition and subtraction. They also enjoy the hands-on experience of measurement as well as investigating topics such as patterns, two-dimensional and three-dimensional shapes and money. In Integrated Studies, students learn about Community Helpers, The Farm, Healthy Me and various special occasions such as, Easter, Mother's Day, Father's Day and Christmas. Additionally the Prep Reception students participate in a Buddy program in which they participate in a range of activities with students from the Middle School.

Take Home Reader Program

From Semester Two, students begin the Take Home Reader Program. This allows them to extend the reading skills we are introducing at school and involve their families in their love of Literacy. This is a big highlight for the Prep Reception students who look forward to this exciting time of the year.

Special Days and Events

Prep Reception students enjoy a variety of special days, incursions and an excursion. During the year, they are able to participate in a number of events such as the Teddy Bears' Picnic, Easter Bonnet Parade and craft morning, Pizza and Pyjama Day, Literacy Week activities, the annual Cross Country Fun Run and an excursion to Animal Land Children's Farm. During the Community Helpers unit, people who work in roles that help us visit the classroom and tell us about their important jobs. The students love dressing up on special days at school and enjoy performing in front of Junior School students, teachers and parents at assemblies.

Animal Land Children's Farm

During Term 4, students in Prep Reception learn about The Farm during Integrated Studies. To extend their learning in this area, Prep Reception students visit the Animal Land Children's Farm. The students are able to enjoy a range of unforgettable experiences including pony rides, tractor rides, milking a cow and cuddling baby animals.

Year Prep Highlights

Curriculum Overview

Students in Prep are exposed to an extensive curriculum in the areas of Literacy, Numeracy, Integrated Studies, Art, Music Performance, Physical Education and Information Technology. In Literacy, the students' oral language skills are developed as is their ability to become independent readers and writers. In Numeracy, students will explore numbers through place value, addition and subtraction. They also investigate shapes, patterns, time, length and area and chance and data. Integrated studies incorporates topics such as: We Belong, Toys, Zoo Animals, Australian Animals and Food/The Senses.

Parental Involvement

Through our information nights and practical curriculum and reading workshops, parents are encouraged to be involved in their child's learning. Consistency is the key to success and at Bacchus Marsh Grammar we understand the valuable role parents play. Where possible, parents are invited to be involved in special days such as: Mother's and Father's Day activities, Show Case Assemblies, the Easter Bonnet Parade and Craft morning and the Christmas Concert and Craft morning.

Special Days

There are many highlights in Prep and these include both incursions and excursions. The Prep students will take part in interactive incursions on both Australian animals and toys as part of their Integrated Studies units on zoo animals and toys/forces. They will also travel to Staughton Vale to take part in our annual Cross Country Fun Run and the Prep day camp. These days are highlights on the calendar for many of our Prep students and they provide ample discussion and writing opportunities in class. Students also participate in many other activities offered by the school: the Pizza and Pyjama Day, the Easter Bonnet Parade and craft morning, Western Water incursion, the 100 days of Prep celebrations and Literacy Week festivities. Each year, our Prep students rehearse an item and perform this to the parents at the Christmas Concert followed by a fun craft morning.

Buddy Program

To support students in their first formal year of schooling, we provide a Buddy Program to assist students with this transition. Each Prep student is buddied up with a student from Year Four. Throughout the year, the pairs work on various tasks such as creating educational games, buddy reading, literacy games, numeracy activities and writing tasks.

Year 1 Highlights

Curriculum Overview

Students continue their journey through Year 1 building upon their knowledge in all areas of the curriculum, including Literacy, Numeracy, Integrated Studies, Music Performance, Art, Physical Education and Information Technology. Literacy exposes students to the enjoyment and passion of reading and writing. Students broaden their phonetic awareness and incorporate this in their writing of specific texts. The Shared Reading program and guided reading sessions focus on specific reading and comprehension skills in order to diversify the students' literacy knowledge. Numeracy gives students the opportunity to learn mathematical skills by manipulating hands-on resources and exploring more complex skills through problem solving tasks.

Special Days

There are many special days and events in Year 1 and these include both incursions and excursions. The Year 1 students will take part in incursions linked to the Integrated Studies unit on Space in which they will learn about the planets, night and day and space travel. Other special events offered include the Easter Bonnet Parade and craft morning, Mother's Day celebrations, and Father's Day celebrations. These days are highlights on the calendar for many of our Year 1 students and they provide ample discussion and writing opportunities in class. Each year, the Year 1 students rehearse an item and perform this to the parents at the Christmas Concert followed by a fun craft morning.

Literacy Week

Students celebrate Literacy Week by dressing up as their favourite book character and participating in a range of different Literacy activities. The children explore various text types through picture story books, big books and simple chapter books.

Day Camp at Staughton Vale.

Students participate in an annual Cross Country Run at Staughton Vale, as well as the Year 1 day camp. At the day camp, students explore their environment, identify the community and ways in which we can protect and conserve our world.

Year 2 Highlights

Curriculum Overview

In Year 2, students start to extend beyond the building blocks of the early years and become more responsible, independent learners. The Year 2 Curriculum has a large focus on core academic skills in literacy and numeracy. In addition, students engage in a wide range of specialist classes to complement their academic learning. They participate in Integrated Studies, Science, Information Technology, Physical Education, Art and Music Performance.

Special Days & Parental Involvement

The Year 2 students spend two fun-filled days at Sunnystones Camp. They participate in activities such as, archery, bush art, nature walks, ropes course and wonderful team building initiatives. This camp is a fantastic opportunity for personal growth and developing independence as the students experience their first school camp.

Additionally there are many Junior School events in which Year 2 students are involved including, author visits, the Junior School Literacy Showcase and Dress-Up Day, P-2 Cross Country Fun Run, Easter Parade, LOTE Week celebrations and the end of year Christmas Concert.

Students are also fortunate to attend the Year 9 and 10 Leadership Program at Staughton Vale.

Father's Day, Mother's Day, Easter and Christmas are all special days that give students the opportunity to share experiences with their parents and significant others at school.

Year 3 Highlights

Curriculum Overview

Students in Year 3 learn skills and strategies in a variety of curriculum areas including, Literacy, Numeracy, Music Performance, Physical Education, Information Technology, Science and History and Geography. In Science, students learn about Biology, Chemistry, Physics and Earth and Space. While studying History and Geography students explore the topics: Who is in Our Community? We Are One, Our Australian Environment and Familial History.

Parental Involvement

Throughout Year 3, students are encouraged to develop independence, particularly with organisation and completion of homework. Parents are encouraged to read with their children on a daily basis. Parents are invited to attend special events at Bacchus Marsh Grammar including Mother's and Father's Day activities, Easter craft session and Christmas Concert and craft session. Sports events such as the Swimming Carnival, Athletics Carnival and Cross Country are also fun days that parents can attend.

Special Days

In Year 3, students have the opportunity to participate in incursions and excursions. Each year students are involved in a camp experience which occurs over three days and two nights. This provides students with a range of experiences and challenges to further develop their independence, cooperative skills and ability to work as a team. As part of the Year 9 and Year 10 Leadership Week, students enjoy a day at the Staughton Vale farm where they participate in activities planned by the Senior School students. Year 3 students benefit from incursions such as the Life Education Van where they participate in a purpose built, issue specific and age appropriate module designed to engage, inspire and empower students. As part of Literacy Week, students enjoy Author Visits, a dress up day and various literacy activities.

Year 4 Highlights

Curriculum Overview

Students in Year 4 are given many opportunities which support, challenge and extend their learning and thinking skills. In Literacy, students are explicitly taught skills and processes to enhance their understanding and knowledge to apply spelling, grammar, detail and structure correctly when writing narratives, expositions and information reports. Comprehending a range of texts using literal, inferential and critical evaluative thinking skills are also an important focus within Year 4, as students become more proficient with their reading and move towards reading novels. Throughout Numeracy, the students are required to show the thinking processes involved when working on a range of equations as well as solving worded problems. This skill assists them in their mathematical learning in the Middle and Senior school and showcases their understanding of the operations they apply to obtain a correct answer. Students also undertake study in the following subject areas: History and Geography, Science, Physical Education, Art, Music Performance and Information Technology.

Preparation for Middle School

In Year 4, students are prepared for the responsibilities of Middle School. They are taught the necessary skills to be accountable for their belongings and completing set assignments. Students are given the responsibility to move themselves to specialist classes towards the end of Year 4 and have been given the same lockers as the students in Year 5 and 6 to prepare them for the independence required as they move into Middle School.

Year 4 Camp

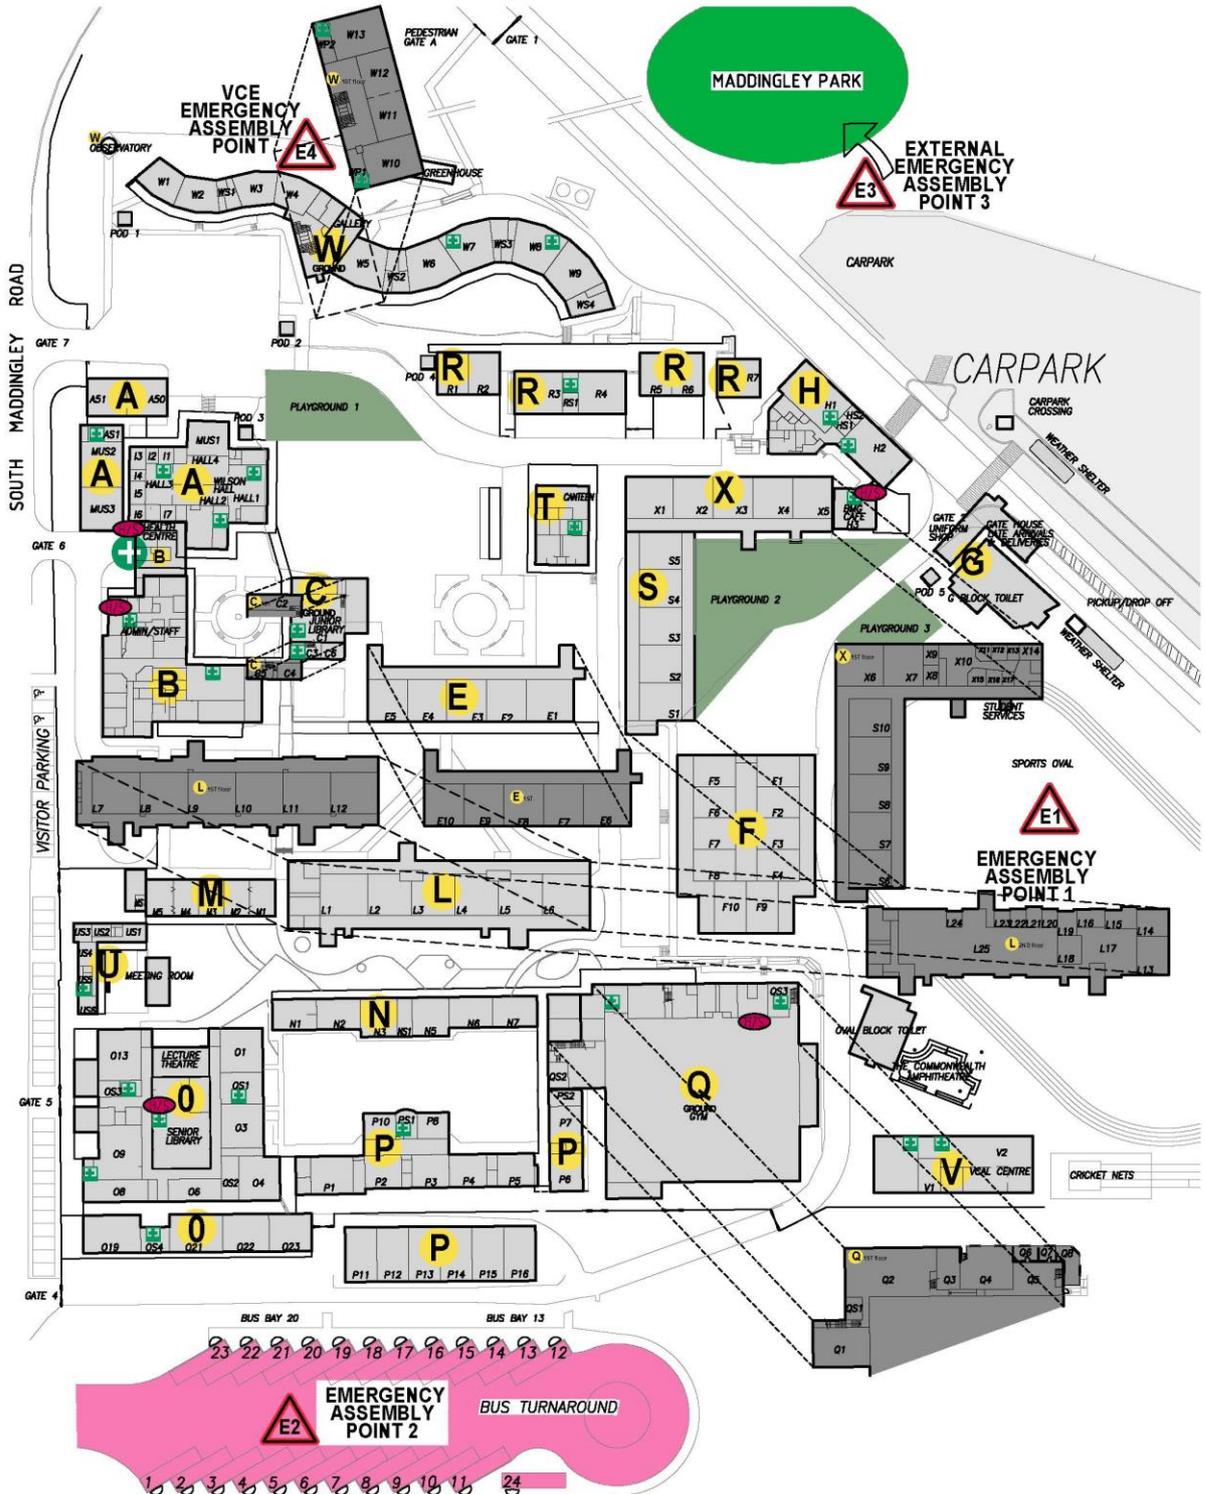

In Year 4, students attend a three-day and two-night camp focusing on personal growth, a sense of community and a connection to the world around them. Students enjoy a variety of team and individual activities, which help to build resilience, skills to communicate and compromise with their peers as well as opportunities to challenge themselves. Camp gives students the opportunity to build relationships with other students in their cohort and allows them to develop their independence.

Excursions and Incursions

At Year 4, Bacchus Marsh Grammar students actively participate in a range of internal and external excursions covering a range of cross-curriculum priorities. The programs are designed for students to further develop their obtained knowledge and provide opportunities to apply their understanding to the real world. The development of interpersonal skills is prevalent at this age level as students learn to value the importance of working independently and in teams. Upon return, students are encouraged to represent and communicate observations, ideas, and findings.
