WOODLEA CAMPUS

18 July 2021 at 1.45pm

Dear Parents/Guardians,

I hope you and your families are well.

I am aware of concerns in relation to whether Woodlea parents and household members need to isolate at this stage and for how long. I am also aware that this concern has been heightened because of a contradiction between our email and the associated letter from DHHS. We have again sort urgent clarification and will get back to you as soon as we receive it. I would ask for your understanding in this regard, DHHS is dealing with an enormous load at present they will get to us but it may take some time.

Kind regards,

Mr Andrew A. Neal - Principal
