## **Child Safety Commitment Statement**

Bacchus Marsh Grammar Early Learning Centre is committed to the safety and well-being of all children and young people. We understand our responsibilities and statutory duty of care to comply with both the Victorian Child Safe Standards and the Reportable Conduct Scheme to build our capacity as an organisation to prevent and respond to allegations of child abuse.

Our Service is committed to implementing and abiding by our Child Safe Policy based on Child Safe Standards in Victoria (2022), accentuating our zero tolerance for child abuse and raising awareness about the importance of child safety in our Service and the community. We are dedicated to protecting children from abuse and neglect and, promoting a child-safe environment, maintaining children's well-being.

We adhere to our comprehensive Child Protection Policy, following our mandatory reporting responsibilities to protect children from physical, sexual, emotional, and psychological abuse and neglect.

We are dedicated to promoting cultural safety for Aboriginal children, cultural safety for children from culturally and/or linguistically diverse backgrounds and providing a safe environment for children with a disability. We are committed to ongoing professional development for employees to maintain their ability to distinguish and respond to situations of abuse and neglect, ensuring employees are responsive to their responsibilities in keeping children safe.

We work in collaboration with the United Nations Convention on the Rights of the Child and have confidence in educating children about their right to be safe. At Bacchus Marsh Grammar Early Learning Centre, we know that children learn best when they feel safe and are safe. We believe in teaching children what to do if they feel unsafe and encouraging them to express their views and thoughts on matters that directly affect them. As educators, we listen to and empower children to act on any concerns they or others may raise, which is reflected in our policies and procedures for keeping children safe.
